Re: Conditional Use Permit - Farmers' Market in Christiansburg/NRV Grown
100 Radford Street, Christiansburg

Dear Mr. Helms,

Thank you for the opportunity to comment on the CUP for the farmers' market at 100 Radford Street. In anticipation of the market being very popular, I would note that Blacksburg Middle School, which is across the street, will not be able to accommodate requests for bathroom use or for parking in support of the patrons of the market. On the other hand, I expect that some school staff will gladly patronize the market. If you have any questions, please contact me.

Sincerely,

Daniel A. Berenato
Director
