Ms. Valerie Tweedy
Director of Finance / Town Treasurer
Town of Christiansburg
100 East Main Street
Christiansburg, VA 24073

Dear Valerie:

I am writing to follow-up on our conversation after the (excellent) Christiansburg 101 presentation you gave this past Tuesday evening.

If the Town would assist the Christiansburg Civic League in the payment for the Buckingham Lining Bar Gang performance at this past weekend's 'Christiansburg Depot Day' event, we would be most appreciative. We had not originally planned for the charge that this group assessed us, but went ahead in the hopes of having a successful, event. Needless to say, we were very pleased with how the event went, and are making initial plans to repeat it in 2012.

The charge to bring in the Buckingham Lining Bar Gang in was $500.00. If it is permissible to reimburse us for this cost through the Town's Tourism or Downtown Festivals funds, the check should be made out to 'Christiansburg Civic League', and mailed to my home address – 7 Pepper Street North (24073).

I have enclosed several photos of the event, which benefited from wonderful weather, an enthusiastic crowd, and a safe atmosphere - in spite of being held next to a major railroad mainline.

Thank you for your handling of this request as well as for the Town's assistance in closing off the streets and proving safety materials.

Best regards,

Charles S. (Dutch) Tubman
Treasurer
