Re: Conditional Use Permit request by David Harding (agent for property owner Connie Reed) for a private recreational facility at 195 Sullivan Street (tax parcel 526 – ((3)) – 71) in the I-1 Limited Industrial District

Dear Mr. Wingfield:

Thank you for the opportunity to comment on the Conditional Use Permit request for the Reed property located at 195 Sullivan Street. Since this request will not add any additional housing, approval or disapproval will not impact Montgomery County Public Schools enrollment in the Christiansburg Strand. However, we welcome the opportunity for additional recreational facilities for the children in Christiansburg.

Sincerely,

Daniel A. Berenato
Director
