

TOWN OF CHRISTIANSBURG SPRING CLEAN – UP WEEKS

The Town of Christiansburg has set the semi-annual spring clean-up for a two-week period beginning April 5, 2008 through April 19, 2008. During this time, residents of the Town desiring special trash pick-up must place these materials with their garbage on the regular pick-up day. While there is no charge for items picked up during this time, there will be a charge assessed for items placed out after April 19, 2008.

Special trucks will pick up extra items not appropriate for normal weekly pick-up. Items must be placed within 10 feet of the street pavement and must be placed in piles separate from normal trash. Loose materials, except for leaves, must be placed in containers not exceeding 32 gallons. **The Town will not be responsible for items placed at or near the street that are not intended for pick-up.**

Examples of items the Town **WILL** pick-up during spring clean-up include:

- Furniture
- Appliances including sinks and tubs (limit 2 per household)
- Tires (limit 4 per household; no larger than 16-inch)
- Tire rims (no limit)
- Tree limbs, trimmings, brush
- Leaves (loose, do not bag)
- Landscape timbers
- Paint cans and sealer cans (only if open and dry)
- Barrels/drums (only if dry, ends are removed and did not contain hazardous material)

Separate materials into piles by material type. Pile loose leaves, tree limbs and trimmings in separate piles. Pile tree limbs, 4-inches in diameter and smaller, separate from logs and tree limbs larger than 4-inches. Log must have a maximum length of 4 feet. Please remove all limbs. Do not block drainage ditches, gutters and sidewalks.

Examples of items the Town **WILL NOT** pick-up during spring clean up include:

- Any liquid
- Construction, building and remodeling materials
- Heavy machinery
- Automobile parts
- Gasoline engines
- Kerosene heaters
- Fuel oil tanks of any size
- Truck, tractor and trailer tires larger than 16-inch
- Hazardous household wastes such as paint, pesticides and cleaning chemicals
- Electronic components such as televisions and computers. See note below.

Citizens are encouraged to call the Town Hall at 382-6120 for clarification before placing out questionable items. Visit the Town Web site at <http://www.christiansburg.org> or call the Town Hall for information on clean-up and electronic component collection. Hazardous household waste and latex paint exchange will be held on the morning of May 17, 2008 at Mid County Park on Authority Drive off of Cinnabar Road.

Electronic Waste: Citizens are encouraged to dispose of electronic components by contacting the Montgomery Regional Solid Waste Authority (381-2820) or by contacting local recycling facilities.

R. Lance Terpenny
Town Manager
