

How

To adopt a spot/street, individuals, organizations or businesses agree to keep the spot/street cleared of litter for two years. In exchange, volunteers are given materials to help them with the pickups, and a sign bearing their name will be posted at the beginning of their adopted spot/street. At the end of the two-year period, the volunteer will receive recognition for their work and may renew their adoption or take on another one.

If you're interested in adopting a spot/street, contact the Christiansburg Department of Parks and Recreation at 382-2349 for additional information.

12. The Town will bear the cost of producing, installing and maintaining the signs.
13. An adoption can be terminated if the work of the participating group or individual interferes with traffic, is considered unsafe, is inadequate for effective litter control or is inconsistent with the Adopt-A-Spot/Street program.
