1. Terry's Report

- a. Radford City Contract. The City is currently in a 6 month contract with the CAC. Radford's contract states they will pay for 200 uses per month (\$5 per person). Any visits over 200 for the month will be invoiced to the City for \$5 per person.
- b. Carilion/ADA Compliance. The hospital does have a string to pull for assistance. The CAC staff doesn't feel this is a good addition to the CAC due to the fact that a lot of the patrons are children. Terry will research what other aquatic facilities do for handicapped/obese persons.
- c. Non-slip surface will be put into the locker room areas this summer.
- d. Budget process is underway. There are still numerous requests for a big sign (LED, scrolling) roadside displaying CAC information (ex. swim meets, weather closures, marketing upcoming programs/special events, etc.)
  - i. Skate park lights
  - ii. Zip line
  - iii. Outside storage building
- e. Webpage development update. The suggestion to the CAC staff is to contact Civic Plus, who currently does the town's webpage, and see if they can branch off.
- f. The CAC staff is working on brainstorming special events this spring/summer.
  - i. Summer Beach Party
  - ii. Swim for the Next Girl
  - iii. New Year's Eve Party
- g. Request for yearly cardio pass

2. Old Business

- a. ADA Compliance. See letter B under Terry's Report.

3. New Business

- a. Summer Camp will be held again this coming summer.

Meet adjourned.
