The digital sign would be used to advertise and promote his business, but would also be used to promote local events, as he has done with his current sign. #### VI. CITIZEN COMMENTS

- A. Jared and Marie March, owners of Due South and Fatback Soul Shack, spoke to Council regarding a situation they experienced during a recent Saturday night, outdoor, live music event at Fatback Soul Shack. Mrs. March explained that during the event, they received two warnings from Police regarding a noise complaint from a nearby resident. The first officer arrived around 9:30 p.m., and the other shortly after. Although the officers expressed support for the event while issuing the warnings, Mrs. March stated that their presence raised concern with many of the customers who weren't aware of what was going on. The Marchs' reviewed with Council portions of the noise ordinance that pertained to General Business Districts and talked about the differences between business zonings and residential areas when addressing noise concerns. They requested that the ordinance be studied and amended to accommodate business and music venues, and recommended the Town consider including a tourism district as provided for in the State Code. According to the Marchs', the recent event was well-attended, and received support from local businesses; however, they agreed to postpone future outdoor, live music events until they hear back from the Town on this matter.
- B. Stacy Martin, 1645 N. Franklin St., spoke to Council in support of the Marchs' and their endeavor to establish their restaurant, Fatback Soul Shack, as a destination point by holding occasional outdoor music events. Regarding the noise complaint received during the recent live music event, Mr. Martin said he believed vague wording in the Town's noise ordinance contributed to confusion concerning guidelines pertaining to noise volumes. Mr. Martin shared portions of noise ordinances from nearby localities as examples of clarity, and he recommended the Town considering using Municode's codification services to rewrite a noise ordinance that would be more fair and supportive of small businesses. In closing, Mr. Martin recommended the Town postpone the hiring of a new town manager until after the local election in November.

- A. Sherwood Wilson, Chairman of the NRV Emergency Communications Regional Authority, spoke to Council regarding the Resolution Regarding the Amendment of Chapter 638 of Virginia Acts of Assembly Relating to the New River Valley Emergency Communications Regional Authority that Council voted to deny on September 12, out of concerns that the Town's interests were not represented in the resolution. Dr. Wilson provided background on how the Authority came into being in response to the Virginia Tech shooting in 2006, with the goal of establishing a means for Montgomery County, Christiansburg, Blacksburg, and Virginia Tech to work together and to strengthen communication between the four localities. The Authority was established with representation from each locality and costs would be shared based on the number of calls from each locality. Dr. Wilson said he understood that Council had concerns about the specifics of the resolution, particularly as they pertained to call assignment. Dr. Wilson further noted that the Authority understood Christiansburg's concerns and was in the process of revising the resolution to be presented to the Virginia General Assembly. Dr. Wilson also noted his personal, and the Authority's, concern with the accuracy of the call data. Dr. Wilson said that a revised resolution would soon be presented to the Town, and the other three jurisdictional partners, outlining that the cost assignment for the Authority would require unanimous consent by all four partners.

Ms. Mott provided background on how the non-profit organization was initiated to address a shortage of affordable, quality childcare and early education, and she talked about the negative impact poor childcare had on community workforces and family stability. Through the ABCs program, parents have access to affordable, quality care for their children, which results in fewer missed days at work and better productivity, and children are nurtured in preparation for kindergarten. Ms. Mott explained how the Christiansburg community was being strengthened by the organization through the recruitment of childcare facilities to participate in the program, and through seminars to recruit new, licensed home providers and co-ops. The organization plans to soon launch the first regional symposium for early child care education, which will educate the community on the importance of kindergarten preparedness, noting that ABCs was working to launch a scholarship program that will focus on investing in early education for three and four-year olds. Council was shown a brief video of Craig Ramey of Virginia Tech speaking about the impact of early childhood education on individuals and communities. Ms. Mott thanked the Town for its past support and requested that ABCs be considered during FY 2018-2019 budget planning.

- C. Recognition of Christiansburg Wastewater Treatment Plant staff for being awarded the 2016 Water Environment Federation - George W. Burke, Jr. Facility Safety Award for their work in establishing and maintaining an active and effective safety program.

Director of Public Relations, Melissa Demmitt, reported that the staff of the WWTP had been awarded the 2016 Water Environment Federation – George W. Burke, Jr. Facility Safety Award for their efforts in establishing and maintaining an active and effective safety program, and she presented each staff member with a certificate of recognition of the award on behalf of the Town, and thanked them for positively representing the Town. The award is presented annually, and awarded through a nomination and safety

audit process. Ryan Hendrix, WWTP Superintendent, provided background on the Water Environment Federation Facility Safety Award, and talked about the goal set by the WWTP in 2014 to create a safety culture at the plant, which was supported by the Town Administration and Department Heads over the past two years. That support, along with the dedication of the WWTP staff, resulted in the award and Mr. Hendrix expressed appreciation for the efforts of all who were involved in the achievement.

Resolution Supporting the Amendment of Chapter 638 of 2010 Virginia Acts of Assembly Relating to the New River Valley Emergency Communications Regional Authority

**DESCRIPTION:**

The New River Valley Emergency Communications Regional Authority Board of Directors has been discussing the funding of the Authority, which by Chapter 638 of 2010 Virginia Acts of Assembly, is set at 25% for each member (the Towns of Blacksburg and Christiansburg, Montgomery County, and Virginia Tech).

The Board originally proposed changing the funding formula to an “attributed” share as apportioned by the Board. The funding formula would utilize a 3-year rolling average of call data percentages with law enforcement, fire and rescue weighted calls for service from the previous calendar years (though the Board has discretion to exclude major capital expenditures or catastrophic events). Each discipline (law enforcement, fire, and rescue) would have been calculated and assigned separately (but not multiple units assigned from the same response agency) and multiplied by a priority scoring system (with a factor of 3 for high priority, 2 for medium priority and 1 for low priority). This proposed formula would likely result in increased cost to the Town of Christiansburg on an annual basis.

The Christiansburg Town Council denied the original request to support the “Resolution Supporting the Amendment of Chapter 638 of 2010 Virginia Acts of Assembly Relating to the New River Valley Emergency Communications Regional Authority” at its September 12, 2017 regular meeting. The Authority Board has since proposed an alternative wording which would require approval of all participating political subdivisions in order to amend the allocation formula, otherwise the allocations would remain at the 25% level for each member. Under the revised wording, the allocation formula may subsequently be amended by the Board with approval of all participating political subdivisions.

*Funds of the Authority not needed for immediate use or disbursement may, subject to the provisions of any contract between the Authority and the holders of its bonds, be invested in securities that are considered lawful investments for public sinking funds or other public funds as set forth in the Investment of Public Funds Act (§ 2.2-4500 et seq.) of the Code of Virginia.*

*§ 13 Authority to issue bonds.*

*The Authority shall have the power to issue bonds in its discretion, for any of its purposes, including the payment of all or any part of the cost of Authority facilities and including the payment or retirement of bonds previously issued by it. The Authority may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds payable, both as to principal and interest (i) from its revenues and receipts generally and (ii) exclusively from the revenues and receipts of certain designated facilities or loans, whether or not they are financed in whole or in part from the proceeds of such bonds. Any such bonds may be additionally secured by a pledge of any grant or contribution from a participating political subdivision, the Commonwealth, or any political subdivision, agency, or instrumentality thereof; any federal agency; or any unit, private corporation, copartnership, association, or individual as such participating political subdivision or other entities may be authorized to make under general law or by pledge of any income or revenues of the Authority or by mortgage or encumbrance of any property or facilities of the Authority. Unless otherwise provided in the proceeding authorizing the issuance of the bonds or in the trust indenture or agreement securing the same, all bonds shall be payable solely and exclusively from the revenues and receipts of a particular facility or loan. Bonds may be executed and delivered by the Authority at any time and from time to time, may be in such form and denominations and of such terms and maturities, may be in registered or bearer form either as to principal or interest or both, may be payable in such installments and at such time or times not exceeding 40 years from the date thereof, may be payable at such place or places whether within or without the Commonwealth, may bear interest at such rate or rates, may be payable at such time or times and at such places, may be evidenced in such manner, and may contain such provisions not inconsistent herewith, all as shall be provided and specified by the Authority in authorizing each particular bond issue.*

*If deemed advisable by the Authority, there may be retained in the proceedings under which any bonds of the Authority are authorized to be issued an option to redeem all or any part thereof as may be specified in such proceedings, at such price or prices and after such notice or notices and on such terms and conditions as may be set forth in such proceedings and as may be briefly recited on the face of the bonds, but nothing herein contained shall be construed to confer on the Authority any right or option to redeem any bonds except as may be provided in the proceedings under which they shall be issued. Any bonds of the Authority may be sold at public or private sale in such manner and from time to time as may be determined by the Authority to be most advantageous and the Authority may pay all costs, premiums, and commissions that it may deem necessary or advantageous in connection with the issuance thereof. Issuance by the Authority of one or more series of bonds for one or more purposes shall not preclude it from issuing other bonds in connection with the same facility or any other facility, but the proceedings whereunder any subsequent bonds may be issued shall recognize and protect any prior pledge or mortgage made for any prior issue of bonds. Any bonds of the Authority at any time outstanding may from time to time be refunded by the Authority by the issuance of its refunding bonds in such amount as the Authority may deem necessary, but not exceeding an amount sufficient to refund the principal of the bonds so to be refunded, together with any unpaid interest thereon and any costs, premiums, or commissions necessary to be paid in connection therewith. Any such refunding may be*

*effected whether the bonds to be refunded shall have then matured or shall thereafter mature, either by sale of the refunding bonds and the application of the proceeds thereof to the payment of the bonds to be refunded thereby, or by the exchange of the refunding bonds for the bonds to be refunded thereby, with the consent of the holders of the bonds so to be refunded, and regardless of whether or not the bonds to be refunded were issued in connection with the same facilities or separate facilities, and regardless of whether or not the bonds proposed to be refunded shall be payable on the same date or on different dates or shall be due serially or otherwise.*

*All bonds shall be signed by the chairman or vice-chairman of the Authority or shall bear his facsimile signature, and the corporate seal of the Authority or a facsimile thereof shall be impressed or imprinted thereon and attested by the signature of the secretary (or the secretary-treasurer) or the assistant secretary (or assistant secretary-treasurer) of the Authority or shall bear his facsimile signature, and any coupons attached thereto shall bear the facsimile signature of said chairman. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be an officer before delivery of such bonds, such signature, or such facsimile, shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. When the signatures of both the chairman or the vice-chairman and the secretary (or secretary-treasurer) or the assistant secretary (or the assistant secretary-treasurer) are facsimiles, the bonds must be authenticated by a corporate trustee or other authenticating agent approved by the Authority.*

*If the proceeds derived from a particular bond issue, due to error of estimates or otherwise, shall be less than the cost of the Authority facilities for which such bonds were issued, additional bonds may in like manner be issued to provide the amount of such deficit, and unless otherwise provided in the proceedings authorizing the issuance of the bonds of such issue or in the trust indenture securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds of the first issue. If the proceeds of the bonds of any issue shall except such cost, the surplus may be deposited to the credit of the sinking fund for such bonds or may be applied to the payment of the cost of any additions, improvements, or enlargements of the Authority facilities for which such bonds shall have been issued.*

*Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds that shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this Act without obtaining the consent of any department, division, commission, board, bureau, or agency of the Commonwealth, and without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, or things that are specifically required by this Act; provided that nothing contained in this Act shall be construed as affecting the powers and duties now conferred by law upon the State Corporation Commission.*

*All bonds issued under the provisions of this Act shall have and are hereby declared to have all the qualities and incidents of and shall be and are hereby made negotiable instruments under the Uniform Commercial Code (§ 8.1A-101 et seq.) of the Code of Virginia, subject only to provisions respecting registration of the bonds.*

*In addition to all other powers granted to the Authority by this Act, the Authority is authorized to provide for the issuance from time to time of notes or other obligations of the Authority for any of its authorized purposes. All of the provisions of this Act that relate to bonds shall apply to such notes or other obligations insofar as such provisions may be appropriate.*

*§ 14 Credit of Commonwealth and political subdivisions not pledged.*

*Bonds issued pursuant to the provisions of this Act shall not be deemed to constitute a debt of the Commonwealth or any political subdivision thereof other than the Authority, but such bonds shall be payable solely from the funds provided therefore as herein authorized. All such bonds shall contain on the face thereof a statement to the effect that neither the Commonwealth, nor any political subdivision thereof, nor the Authority, except as may be otherwise stated, shall be obligated to pay the same or the interest thereon or other costs incident thereto except from the revenues and money pledged therefore and that neither the faith and credit nor the taxing power of the Commonwealth, nor any political subdivision thereof, is pledged to the payment of the principal of such bonds or the interest thereon or other costs incident thereto.*

*Bonds issued pursuant to the provisions of this Act shall not constitute indebtedness within the meaning of any debt limitation or restriction.*

*§ 15 Members of the Board and persons executing bonds not liable thereon.*

*Neither the members of the Board nor any person executing the bonds shall be liable personally on the Authority's bonds by reasons of the issuance thereof.*

*§ 16 Security for payment of bonds; default.*

*The principal of and interest on any bonds issued by the Authority may be secured by a pledge of the revenues and receipts out of which the same shall be made payable, and may be secured by a trust indenture or agreement covering all or any part of the Authority facilities from which revenues or receipts so pledged may be derived, including any enlargements or any additions to any such projects thereafter made. The resolution under which the bonds are authorized to be issued and any such trust indenture or agreement may contain any agreements and provisions respecting the maintenance of the projects covered thereby, the fixing and collection of rents for any portions thereof leased by the Authority to others, the creation and maintenance of special funds from such revenues, and the rights and remedies available in the event of default, all as the Authority shall deem advisable not in conflict with the provisions hereof. Each pledge, agreement, and trust indenture made for the benefit or security of any of the bonds of the Authority shall continue to be effective until the principal of and interest on the bonds for the benefit of which the same were made shall have been fully paid. In the event of default in such payment or in any agreements of the Authority made as a part of the contract under which the bonds were issued, whether contained in the proceeding authorizing the bonds or in any trust indenture or agreement executed as security therefor, may be enforced by mandamus, suit, action, or proceeding at law or in equity to compel the Authority and the members, officers, agents, or employees thereof to perform each and every term, provision, and covenant contained in any trust indenture or agreement of the Authority, the appointment of a receiver in equity, or by foreclosure of any such trust indenture, or any one or more of said remedies.*

*§ 17 Taxation.*

*The exercise of the powers granted by this Act shall in all respects be presumed to be for the benefit of the inhabitants of the Commonwealth, for the increase of their commerce, and for the promotion of their health, safety, welfare, convenience, and prosperity, and as the operation and maintenance of any project that the Authority is authorized to undertake will constitute the performance of an essential governmental function, the Authority shall not be required to pay any taxes or assessments upon any facilities acquired and constructed by it under the provisions of this Act and the bonds issued under the provisions of this Act, their transfer and the income therefrom, including any profit made on the same thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any political subdivision thereof.*

*§ 18 Bonds as legal investments.*

*Bonds issued by the Authority under the provisions of this Act are hereby made securities in which all public officers and public bodies of the Commonwealth and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities that may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law.*

*§ 19 Appropriation by political subdivision.*

*Any participating political subdivision or other political subdivision of the Commonwealth is authorized to provide services, to donate real or personal property, and to make appropriations to the Authority for the acquisition, construction, maintenance, and operation of the Authority's facilities. Any such political subdivision is hereby authorized to issue its bonds, including, but not limited to, general obligation bonds, in the manner provided in the Public Finance Act (§ 15.2-2600 et seq.) of the Code of Virginia or in any applicable municipal charter for the purpose of providing funds to be appropriated to the Authority, and such political subdivisions may enter into contracts obligating such bond proceeds to the Authority.*

*The Authority may agree to assume or reimburse a participating political subdivision for any indebtedness incurred by such participating political subdivision with respect to facilities conveyed by it to the Authority.*

*§ 20 Annual ~~deficit~~Budget.*

*The Board shall have full authority to adopt its operating and capital budgets on an annual fiscal year (July 1 through June 30) basis (the "Annual Budget"); and to amend the same from time to time. The Board shall also have full authority to develop and adopt a formula for allocating the responsibility to pay for the Annual Budget among the participating political subdivisions (the "Allocation Formula"), which Allocation Formula must be presented to the participating political subdivisions on or before \_\_\_\_\_, 2018. The participating political subdivisions shall consider the Allocation Formula on or before \_\_\_\_\_, 2018, and if each of them approve it, each shall pay its share of the Annual Budget as allocated under the Allocation Formula. In the event all participating political subdivisions do not approve the Allocation Formula on or before \_\_\_\_\_, 2018, each participating political subdivision will contribute one-quarter of the Authority's Annual Budget for fiscal year 2019 and for all following fiscal years unless and until an*

Allocation Formula is approved by all of the participating political subdivisions. As used herein, "Annual Contribution" means either (a) each participating political subdivision's share of the Annual Budget allocated under the Allocation Formula or (b) the one-quarter share of the Annual Budget that each of the participating political subdivisions will pay if not all of the participating political subdivisions have on or before \_\_\_\_\_ 1, 2018 (or \_\_\_\_\_ 1 in any year in which the Allocation Formula is presented for approval by the participating political subdivisions). Once approved by all of the participating political subdivisions, the Board may use the Allocation Formula each year to allocate responsibility for payment of the Annual Budget among the participating political subdivisions. The Board shall also have full authority to amend and revise the Allocation Formula, but any amendment or revision must be submitted to and approved by each of the participating political subdivisions on the same dates prior to the fiscal year in which the Allocation Formula is scheduled to be amended or revised. Each participating political subdivision shall contribute its ~~respective one-quarter share of the annual deficit~~ Annual Contribution each year and otherwise as required; however, such obligation shall be subject to and dependent upon annual appropriations being made from time to time by the governing body of each such respective participating political subdivision, and as to the university by normal approval of appropriations, and shall not be deemed to constitute a debt of such participating political subdivisions within the meaning of Article VII, Section 10 of the Constitution of Virginia, and as to the university, within the meaning of Article X, Section 9 of the Constitution of Virginia, or any applicable statutory debt limitation. Should any participating political subdivision fail to contribute in full its ~~proportionate share of the annual deficit~~ Annual Contribution, it shall remain a member of the Authority, but its representative on the Board shall not be entitled to cast a vote on any Authority matter until that participating political subdivision's ~~share of the annual deficit~~ Annual Contribution has been paid in full. Further, should any participating political subdivision fail to contribute in full its ~~proportionate share of the annual deficit~~ Annual Contribution, the Authority shall have a lien on any share of the Authority's profit or surplus revenues otherwise entitled to be distributed to the participating political subdivision. A participating political subdivision may contribute a portion or all of its ~~share of the annual deficit~~ Annual Contribution through "in-kind" contributions, subject to the approval of such contribution and valuation by the Authority.

§ 21 Contracts with political subdivisions.

The Authority is authorized to enter into contracts with any one or more political subdivisions.

§ 22 Authority as political subdivision.

The Authority is a political subdivision whose actions are exempt from the Commonwealth's rules and regulations on its agencies and commissions as to demolition, alteration, capital outlay requirements, temporary building use requirements, and like regulations and requirements. The Authority is subject to local building code requirements.

§ 23 Fees for Service.

The Authority is authorized to charge a fee for service to individuals who are not members of the participating political subdivisions and is, likewise, authorized to determine a fee schedule.

§ 24 Liberal construction.

Neither this Act nor anything herein contained is or shall be construed as a restriction or limitation upon any powers that the Authority might otherwise have under any laws of the Commonwealth, and this Act is cumulative to any such powers; however, the borrowing of money or issuance of bonds under the provisions of this Act need not comply with the requirements of any other law applicable to the issuance of bonds, notes, or other obligations. This Act does and shall be construed to provide a complete, additional, and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws. The provisions of this Act are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the other provisions of this Act.

§ 25 Application of local ordinances, service charges, and taxes upon leaseholds.

Nothing herein contained shall be construed to exempt the Authority's property from any applicable zoning, subdivision, erosion and sediment control, and fire prevention codes or from building regulations of a political subdivision in which such property is located. Nor shall anything herein contained exempt the property of the Authority from any service charge authorized by the General Assembly pursuant to Article X, Section 6 (g) of the Constitution of Virginia.

§ 26 Existing contracts. Leases, franchises, etc., not impaired.

No provisions of this Act shall relieve, impair, or affect any right, duty, liability, or obligation arising out of any contract, concession, lease, or franchise now in existence except to the extent that such contract, concession, lease, or franchise may permit. Notwithstanding the foregoing provision of this section, the Authority may renegotiate, renew, extend the term of, or otherwise modify at any time any contract, concession lease, or franchise now in existence in such manner and on such terms and conditions as it may

deem appropriate, provided that the operator of or under said contract, concession, lease, or franchise consents to said renegotiation, renewal, extension, or modification.

§ 27 Employees of the Authority.

A. Employees of the Authority shall be employed on such terms and conditions as are established by the Authority. The Board of the Authority shall develop and adopt personnel rules, policies, and procedures to give its employees grievance rights, ensure that the employment decisions shall be based upon the merit and fitness of applicants, and prohibit discrimination because of race, religion, color, sex, or national origin.

B. In cooperation with the Board, each participating political subdivision shall determine which of its current positions will remain under their individual employ and which will be recreated as part of the Authority. Any employee of Virginia Tech who (i) is not offered a position with the Authority for which the employee is qualified or is offered a position that requires relocation or a reduction in salary or (ii) is not offered the opportunity to remain employed with Virginia Tech shall be eligible for the severance benefits conferred by the provisions of the Workforce Transition Act (§ 2.2-3200 et seq.) of the Code of Virginia. Any employee of Virginia Tech who accepts employment with the Authority shall not be considered to be involuntarily separated from state employment and shall not be eligible for the severance benefits conferred by the Workforce Transition Act.

C. Notwithstanding any other provision of law to the contrary, any person whose employment is recreated in the Authority as a result of this Act and who is a member of any plan for providing health insurance coverage pursuant to Chapter 28 (§ 2.2-2818 et seq.) of Title 2.2 of the Code of Virginia shall be eligible to continue to be a member of such health insurance plan. Notwithstanding subsection A of § 2.2-2818 of the Code of Virginia, the Authority shall pay the employer contribution, the amount of which is determined by negotiated agreement with the provider, of the costs of providing health insurance coverage to its employees who elect to continue to be members of the state employees' health insurance plan. Alternatively, an employee may elect to become a member of any health insurance plan established by the Authority. The Authority is authorized to (i) establish a health insurance plan for the benefit of its employees and (ii) enter into agreements with the Department of Human Resources Management providing for the coverage of its employees under the state employees' health insurance plan, provided that such agreement shall require the Authority to pay the costs described above of providing health insurance coverage under such a plan.

D. Notwithstanding any other provision of law to the contrary, any person whose employment is transferred to the Authority as a result of this Act and who is a member of the Virginia Retirement System, or other retirement plan as authorized by Article 4 (§ 51.1-125 et seq.) of Chapter 1 of Title 51.1 of the Code of Virginia, shall continue to be a member of the Virginia Retirement System or other such authorized retirement plan under the same terms and conditions as if no transfer had occurred. Alternatively, such employee may elect, during an open enrollment period, to become a member of the retirement program established by the Authority for the benefit of its employees by transferring assets equal to the value to the actuarially determined present value of the accrued basic benefit as of the transfer date. The Authority shall reimburse the Virginia Retirement System for the actual cost of actuarial services necessary to determine the present value of the accrued basic benefit of employees who elect to transfer to the Authority's retirement plan. The following rules shall apply:

1. With respect to any transferred employee who elects to remain a member of the Virginia Retirement System or other such authorized retirement plan, the Authority shall collect and remit any employer and employee contributions to the Virginia Retirement System or other such authorized retirement plan for retirement for such transferred employees.

2. Transferred employees who elect to become members of the retirement program established by the Authority for the benefits of its employees shall be given full credit for their creditable service as defined in § 51.1-124.3 of the Code of Virginia, vesting and benefit accrual under the retirement program established by the Authority. For any such employee, employment with the Authority shall be treated as employment with any nonparticipating employer for purposes of the Virginia Retirement System or other retirement plan as authorized by Article 4 of Chapter 1 of Title 51.1 of the Code of Virginia.

3.
