II. ADJUSTMENT OF THE AGENDA

- A. Councilman Huppert made a motion to correct the agenda by removing items C and D from the Public Hearings, and item A.1 under Discussions and Action by Mayor and Council. These items were inaccurately carried over from the May 22, 2018 council meeting. Councilman Showalter seconded the motion and Council voted as follows: Bishop – Aye; Collins – Aye; Huppert – Aye; Sachs – Aye; Showalter – Aye; Stipes – Absent.

III. PUBLIC HEARINGS

- A. Conditional Use Permit request by Peggy Beasley for a loudspeaker/sound amplification/outdoor sound system to be used in excess of the Town of Christiansburg's Noise Ordinance at 255, 275, and 365 Starlight Drive, S.E., (Tax Map Nos. 529 – A – 12; 529 – A – 13; and 529 – A – 14) in the B-3, General Business zoning district.

Roger Venteicher, 435 Starlight Drive, spoke in opposition to the CUP request because of the high noise volume from movies heard at his home, and he gave an example of almost calling the police after hearing gunshots, before realizing the sound was from a movie. Mr. Venteicher said he believed the drive-in theater negatively impacted property values of surrounding homes because of excessive noise.

- B. Rezoning request by Guy Matthew and Wendy W. Funk at 1800 Depot Street N.E. (Tax Map Nos. 498-A 90 and 498-A 90A) in the B-3 General Business zoning district to the R-1 Single Family Residential zoning district. The property is designated as Residential on the Future Land Use Map of the 2013 Christiansburg Comprehensive Plan.

Guy and Wendy Funk were present to answer questions. Councilwoman Sachs expressed the concern that a change in rezoning from business to residential would lower the level of noise that could be generated by surrounding existing and future businesses, according to the Town's noise ordinance, and she stressed that long-term impact should be considered in this matter. Wendy Funk noted that the only noise audible on their property was generated by vehicles, not businesses.

IV. CONSENT AGENDA

- A. Council meeting minutes of May 22, 2018.

Councilman Bishop made a motion to approve the consent agenda, seconded by Councilman Huppert. Council voted on the motion as follows: Bishop – Aye; Collins – Aye; Huppert – Aye; Sachs – Aye; Showalter – Aye; Stipes – Absent.

V. CITIZEN COMMENTS

- A. Andrew Schack, 1391 Dow Street, thanked Andrew Warren, Jerry Heinline, Mayor Barber and Town Council for addressing citizen complaints regarding suspicious activity at 1392 Dow Street, which resulted in the arrest of the homeowners for child abuse and animal cruelty, and led to the condemnation of the house. Mr. Schack talked about the animal cruelty involved in puppy mill operations and showed pictures of the confirmed puppy mill on Dow Street. Mr. Schack requested the Town adopt an ordinance restricting the number of litters per house per year to help prevent this type of illegal operation.
- B. Ed Schack, 1391 Dow Street, asked if the Town was aware of any type of animal control database that would identify dogs to specific residences, which could slow down illegal dog operations. Mayor Barber said he was not aware of that type of database other than licensing done at the County Animal Control.

VI. INTRODUCTIONS AND PRESENTATIONS

- A. Michael Abraham to speak regarding follow-up and update on request for zoning amendment for clubs and lodges in I-2 General Industrial and Conditional Use Permit request regarding Moose Lodge at 225 Industrial Drive, N.E. (denied by Town Council on July 11, 2017).

Michael Abraham reported to Council that Moose Lodge #1470 had lost \$25,000 in income since the club's request to locate in the industrial park had been denied by Council in July 2017, and he talked about the impact the financial loss had on the civic group's ability to serve in the community. Mr. Abraham said he understood that Council wanted to preserve the park for industrial development and manufacturing that would expand the job base but noted that he thought the largest building in the industrial park only employed five people. Mr. Abraham said he was concerned Council's vision for the industrial park may be detrimental to future growth and he urged Council to reconsider its previous decision and allow the Moose Lodge to operate at 225 Industrial Drive.

- B. Parks and Recreation Director Brad Epperley to present regarding new Bike Share Program, Roam NRV.

Mr. Epperley introduced Roam NRV, the regional bike share program provided in partnership with Montgomery County, Blacksburg, and Virginia Tech, along with Blacksburg Transit, New River Regional Commission, and the MPO. The program will offer seventy-five speed bikes and thirteen e-assist bikes at twelve bike stations in Christiansburg and Blacksburg for rented use. The main trail for the bike share program will be the Huckleberry Trail, with future extensions to downtown Christiansburg and Pandapas Pond. Mr. Epperley talked about the shared costs to implement the program and noted that the program received \$200,000 in funding through a grant from the Virginia Department of Rail and Public Transportation. A soft launch is scheduled for June 23, 2018, with a ceremonial launch on July 2 at the NRV Mall. Council applauded the efforts that brought the program to fruition.

Mr. Rissmeyer reported that twenty-eight drainage problems had been evaluated through the study and he reviewed the ten drainage improvement plans recommended to reduce or eliminate flood risks.
