- When the governor took off the restrictions, we changed our hours as of June 1. Monday – Thursday 5:30 a.m. – 9 p.m., Friday 5:30 a.m. – 8 p.m., Saturday 8 a.m. – 5 p.m. and Sunday 1 – 7 p.m. Pre-Covid, we did stay up until 10 p.m. Monday – Thursday. That was a question Mrs. Meadows had, during that time many people did not come but it was time for staff to get things done. Mr. Epperley & Mr. McCoy talked about the hours and went back and forth, they feel that these are the best hours for our facility. Mr. Saylor mentions that they are only losing four hours during the week and from a budget standpoint we aren't using the facility and we are saving money. Mr. Neel mentions that he was talking to one of the front desk supervisors and they were disappointed that more people weren't coming in. He explains it's the kind of thing that's okay, we are here for people that want to come. If there is one child out there playing basketball, we are keeping them from doing something else and out of trouble. That is worth it, that is the job of the town to provide for the citizens, whether they take advantage of it or not.
