The property is designated as Business/Commercial on the Future Land Use Map of the 2013 Christiansburg Comprehensive Plan.

Councilman Wilson made a motion to approve the consent agenda as presented, seconded by Councilwoman Hockett.

Councilwoman Hicks questioned item G. of the consent agenda and asked if the amendment had gone through the Planning Commission as well. Town Manager Wingfield explained that it would need to go through the Planning Commission, and they would also hold a public hearing. Planning Director Retta Jackson explained that

normally the Commission would wait until the item was approved on the consent agenda and then it would be advertised to the public. Councilwoman Hicks asked for further information on the details of the amendment. Mayor Barber noted that Mr. Wingfield had sent a memo beforehand to all of Council concerning the specifics. He further explained it involved posting notices prior to public hearings and public comments to align with the Code of Virginia. Mr. Wingfield added that the Code of Virginia still requires two notices, but now within a certain time period. Mr. Wingfield stated that a draft ordinance would be available to view. Councilwoman Hicks asked that more information be available to the public concerning ordinance changes. Mr. Wingfield clarified that when an ordinance amends Town Code, a draft ordinance was always available to view within the agenda packet prior to the public hearing.

Council voted as follows: Bishop – Aye; Bowman – Aye; Hicks – Aye; Hockett – Aye; Jenkins – Aye; Wilson - Aye.

Motion Approved

V. INTRODUCTIONS AND PRESENTATIONS

- A. Public Relations Director Christina Bolt to provide façade grant updates from the Central Business Committee

Mrs. Bolt addressed Town Council and voiced possible changes to the façade grant program that were gathered by Town staff and the Central Business Committee. Mrs. Bolt spoke about strengthening the areas of communication between façade grant applicants and the Town. Mrs. Bolt noted the Town's Small Business Solutions Manager would continue to work closely with businesses with a clear explanation of the program. She added that feedback shows businesses were still unclear of the program's requirements and the Town's support to applicants would need to be adjusted with elevated support from the Small Business Solutions Manager.

Mrs. Bolt explained there were a few adjustments to the program such as allowing decorative façade paintings to be considered only as approved by the Central Business Committee. She noted that landscaping and hardscaping would not be considered as a standalone project but in conjunction with other approved façade grant work. And a potential for opening the program to nonprofits. Mrs. Bolt also mentioned changes to the application packet that would include a summary of changes from previous years, workshop dates, a rubric for review that would be more in-depth and clearer, budgeting and project scheduling for the applicant. Mrs. Bolt explained suggested changes that included clarifying language to help businesses better understand the requirements of the program.

Mrs. Bolt spoke about post award support and changes noting a post-award workshop to discuss the reimbursement process in detail ending with a signed agreement between the awardee and the Town. She added that the awardee would have a deadline to complete their project and if that deadline was missed, they could potentially be ineligible to apply for any grant assistance from the Town for the

following two years. Mrs. Bolt included that a post-award survey would be provided to the awardee.

Mrs. Bolt stated that the Public Relations department would provide outreach and support along with targeting social media ads, providing workshops in person and recorded workshops, and regular check-ins with business owners. She concluded that if this revision was approved marketing would begin immediately, and the first façade grant workshop would begin the end of April 2025.

Councilwoman Hicks questioned the amount of time Town staff has spent on the Façade Grant program and suggested staff keep track of their time.

Councilwoman Hicks read a non-disclosure statement acknowledging that she owned several businesses within the Town.

Councilwoman Hicks and Councilwoman Bowman expressed they had received information from awardees that there had been no communication received for several weeks. Councilwoman Hicks noted the current façade grant application was one page and felt multiple pages would be too lengthy. She also questioned why nonprofits were being considered for the program.

Councilman Wilson noted that the Community Support Grant was dedicated more for nonprofits and therefore the Façade Grant was brought in for those that were not nonprofits. Mr. Wilson clarified that nonprofits were not included in the Façade Grant program due to being able to use the Community Support program.

Councilwoman Hockett explained she had brought the nonprofit discussion to the table at the Central Business Committee meeting due to the change involving nonprofits being limited to receiving a Community Support Grant every year. Mrs. Hockett clarified that if a nonprofit received a Community Support Grant, they would not be eligible to receive a Façade Grant that same year. She added that if there are nonprofits in older buildings the look of those buildings still impacts the community.

Councilwoman Hicks questioned the age of the buildings and if there was a minimum age requirement. Business Solutions Manager Miles Campbell explained that while there was no minimum age for buildings, the Town would consider older buildings a priority.

Mrs. Bolt questioned Councilwoman Hicks concerning tracking time in her department for this program and whether Council would like her to track her time for other programs. Councilwoman Hicks expressed it would be good to keep track of staff's time due to previously Council questioning whether this was a good program for the community. Mrs. Hicks added that she was also concerned other job duties of Public Relations was not being managed sufficiently and was concerned there were too many tasks for the department. Mrs. Bolt assured Councilwoman Hicks that she manages her time well and felt that her department did not take on more than they could handle.

- B. Treasurer/Finance Director Katie Miano to present Proposed FY 2025 – 26 Budget

Finance Director Katie Miano gave an overview of the Town's proposed fiscal year 2025-26 budget. Mrs. Miano explained the Town has 6 distinct funds and how those funds were utilized within the Town budget. Mrs. Miano stated that meals tax was projected to have a 1% increase for fiscal year 2025-26 and there were no proposed increases to personal property or real estate taxes. She explained there was a proposed \$1.00 fee increase in water fees per 1,000 gallons for the in-Town rate but no increase to sewer, garbage, or stormwater utility fees.

Mrs. Miano spoke about potential revenue from taxes or fees and the potential to increase utility tax increase from a cap of \$2.50 per month to \$3.00. She also explained the estimated needs for the Town to sustain operations and continue capital improvements throughout the Town in the upcoming year. Mrs. Miano updated Council on the proposed budget expenditures and expenses for the upcoming year.

Mrs. Miano noted that the Police Department had asked for 3 new positions for training roles to prepare for upcoming employee retirements. She added that several positions had been requested by departments but had not been included in the budget. She explained that a 2.5% cost of living increase and 2% merit increase for employees had been proposed and compared the increases to surrounding localities.

Mrs. Miano spoke about the capital general fund and projects that were upcoming in the Town. Town Manager Wingfield explained that part of the proposed budget was the New River Valley Communications Regional Authority project as a capital reserve of \$500,000. He stated this would be a complete radio and infrastructure replacement for Montgomery County, Blacksburg, Christiansburg, and Virginia Tech. Mr. Wingfield noted the Town's share and allocation to the project with a fall 2025 budget amendment once the final payment is determined. Mr. Wingfield added that there was potential to purchase the radios and not include them in the debt service. Councilwoman Hicks questioned the Town's share of the communications project and asked how it was calculated. Mr. Wingfield explained the radios would come to the Town of Christiansburg for the Police, Fire, EMS, and Public Works. He added that each locality would pay for their own radios and the antennas, towers, and software would be split between the localities. Mr. Wingfield explained that the location of the antennas and towers would be based on what locality was connected to the tower location. He also explained the software would be split evenly among each of the localities. Councilman Wilson clarified the information concerning the towers was given to Council previously. Councilwoman Hicks requested this subject be discussed at the potential joint meeting with the Board of Supervisors and Council. Mayor Barber explained this subject would not be included in that discussion, and the only subject discussed would be emergency services funding.

Mrs. Miano presented the Community Support applications in the proposed budget and added there were surveys included in the proposal for Council to review and complete. She concluded there would be Town Council work sessions as requested, a public hearing on the budget, and then Council would consider public comments and adjust as deemed appropriate. Mrs. Miano explained that the next steps would be the adoption of the budget and the approval for the final budget by June 30, 2025.

Councilwoman Hicks questioned how much the Town was charged for water from the Water Authority. Mrs. Miano explained that currently the charge was \$4.21 per 1,000 gallons and would increase to \$4.40 per 1,000 gallons. Mr. Wingfield added that the Town was currently covering the cost at the current rate in the budget, but the Town was also using a large amount of the capital reserves for projects and would like to replenish those reserves. He explained the Town would be completing a water loss/water listening study to try to find leaks which would generate water projects for the Town. Engineering Director Mike Kelley expressed to Council the water loss study has been completed and presented to the Water and Waste Committee. He added that the Town has received a quote from a professional engineering firm and the information would be brought to Council soon for the water listening. Councilman Wilson explained the next phase would be to go back and monitor where those water leaks were and where the Town needs to repair and replace those leaks.

VI. CITIZEN COMMENTS

Damon Brewer, 215 John Lemley Lane, thanked Council for providing a citizen comment section on the agenda. Mr. Brewer expressed that he would like the Town of Christiansburg to send out a new call for artists. He explained that the previous call for artists had gone out in November of 2024 for a mural on E. Main Street. He expressed concern for the artwork that had been selected by the Public Arts Advisory Board but rejected by the property owner. Mr. Brewer explained that the art was not within size parameters and felt it was possibly AI generated. He added that the arts section on the Town's website had not been revised since 2021. Mr. Brewer also asked Council to consider him for one of the open seats on the Public Arts Advisory Board.

Bob Beard, 1200 Flint Drive, expressed concern for a high-water bill at his place of residence. He explained that he has noticed a 63% increase compared to the previous year. Mr. Beard expressed that the increase has caused an impact on his household income and budget. He added that the Town had spent money on the new Huckleberry Park instead of more important issues. Mr. Beard expressed that the fluoride should be removed from the Town's drinking water and asked Council to be more conscious of raising taxes.

VII. COMMITTEE REPORTS

No committee reports.

VIII. DISCUSSION AND ACTION BY MAYOR AND COUNCIL

- A. Change Order #1 for the Arrowhead Sanitary Sewer Rehabilitation project in the amount of \$871,354.52

Councilwoman Hockett made a motion to approve the Change Order #1 for the Arrowhead Sanitary Sewer Rehabilitation project, seconded by Councilman Wilson.

Council voted as follows: Bishop – Aye; Bowman – Aye; Hicks – Aye; Hockett – Aye; Jenkins – Aye; Wilson - Aye.

Motion Approved

B. Proposed Fiscal Year 2025-26 Budget

Mayor Barber encouraged Council to study their budget handouts and be prepared for the next Council meeting. Finance Director Katie Miano asked that questions concerning the budget should be sent to her by April 8th.

IX. STAFF REPORTS

A. Town Manager

Mr. Wingfield reported a previous conversation with County Administrator Angie Hill concerning a joint Town Council and Board of Supervisors meeting to discuss Emergency Services funding. Mr. Wingfield asked Council if April 14th would be appropriate for the joint meeting. Council agreed to April 14th. Mr. Wingfield noted the Council work session on April 16th. He reported on upcoming events in the community:

- The Spring Kickoff Festival April 5th from 6:00 p.m. to 9:00 p.m.
- The Egg-Streme Easter Egg Party April 11th beginning at 7:00 p.m. at the Christiansburg Huckleberry Park
- The Great Easter Egg Hunt at Kiwanis Park April 19th beginning at 9:30 a.m.
- Spring Clean Up April 14th through April 25th

B. Town Attorney – no report.

C. Other Staff – no report.

X. COUNCIL REPORTS

Councilman Wilson reported that Wing drone delivery would be testing their drones at the end of the month during night hours to be able to deliver after dark. He wanted to make sure citizens were aware in case the drones were observed. Mayor Barber asked Public Relations to reach out to the public with the information.

Councilwoman Bowman recognized the Town's Public Works Department and their hard labor, especially their cleanup efforts for the most recent ice storm. Public Works Director Jim Lancianese noted their work pertaining to the ice storm continues and so far, they have had over 1,000 loads of debris.

XI. OTHER BUSINESS

Councilwoman Hicks noted that the Agency on Aging had an upcoming golf tournament, and she would send out the information to Council.

Mayor Barber acknowledged the banners downtown recognizing March 29th as Vietnam War Veterans Day.

XII. ADJOURNMENT

There being no further business to bring before Council, Mayor Barber adjourned the meeting 8:18 p.m.

ITEM TITLE:

Contract renewal #4 with Rummel, Klepper, & Kahl, LLP d/b/a RK&K for Signal Structure Evaluations and Traffic Engineering On-Call Services in an amount not to exceed \$150,000 per task order, and with work completed per contract year not to exceed \$500,000

DESCRIPTION:

Professional Services Contract renewal to provide transportation engineering services including, but not limited to, signal structure evaluations, traffic engineering, and lighting design. This is the final renewal for this contract. The total amount to be paid by the Town to the Engineer for completed services shall be paid in accordance with the Fee Schedule as attached. Work completed in a contract year shall not exceed \$500,000. Work completed on any single task shall not exceed \$150,000, or the approved budget amount for the task, whichever is less.

POTENTIAL ACTION:

Contract Amendment approval and authorize the Town Manager to enter into this renewal on behalf of the Town with RK&K, subject to Attorney review and approval.

DEPARTMENT:

Engineering

PRESENTER:

Michael Kelley

ITEM HISTORY:

On December 20, 2020, the Town of Christiansburg advertised for proposals from interested engineering firms to provide Signal Structure Evaluations and Traffic Engineering On-Call Services. RKK was selected and has provided services since the original contract was approved in 2021. The Town wishes to exercise the final renewal for this contract. The engineer is requesting a 3.9% escalation rate for this renewal period. This escalation is consistent with the current VDOT escalation rates for professional services as noted in Exhibit I by the VDOT memo titled "Escalation Rates for Professional Services Contracts, July 1, 2024, through June 30, 2025". Ongoing Task Orders which were assigned during the previous terms will not be affected by the requested rate increase, only new tasks assigned during this new term.

TOWN OF CHRISTIANSBURG

Established November 10, 1792

Incorporated January 7, 1833

RESOLUTION DECLARING APRIL 13 - 19, 2025 AS NATIONAL PUBLIC SAFETY TELECOMMUNICATORS WEEK

WHEREAS emergencies can occur at any time that require police, fire or emergency medical services; and,

WHEREAS when an emergency occurs the prompt response of police officers, firefighters and paramedics is critical to the protection of life and preservation of property; and,

WHEREAS the safety of our police officers and firefighters is dependent upon the quality and accuracy of information obtained from citizens who telephone the New River Valley Emergency Communications Regional Authority; and,

WHEREAS Public Safety Telecommunicators are the first and most critical contact our citizens have with emergency services; and,

WHEREAS Public Safety Telecommunicators are the single vital link for our police officers and firefighters by monitoring their activities by radio, providing them information and ensuring their safety; and,

WHEREAS Public Safety Telecommunicators of the New River Valley Emergency Communications Regional Authority has contributed substantially to the apprehension of criminals, suppression of fires and treatment of patients; and,

WHEREAS each dispatcher has exhibited compassion, understanding and professionalism during the performance of their job in the past year.

NOW, THEREFORE, BE IT RESOLVED that the Council of the Town of Christiansburg, Virginia declares the week of April 13 - 19, 2025 to be National Public Safety Telecommunicators Week in the Town of Christiansburg, Virginia in honor of the men and women whose diligence and professionalism keep our town and citizens safe.

Upon a call for an aye or nay vote on the foregoing resolution at a regular meeting of the Council of the Town of Christiansburg, Virginia held April 8, 2025 members of Council stood opposite their names as indicated:

ITEM TITLE:

Façade grants

DESCRIPTION:

In 2019, the Town of Christiansburg created the Façade Grant Program ([Façade Grant Program | Christiansburg, VA - Official Website](#)), which was aimed at helping property or business owners improve their building façades and encourage investment in our historic central business areas. The Façade Grant Program, the first of its kind in the Town of Christiansburg, completed its first round in 2020, and was designed to improve the streetscape and strengthen partnerships with Downtown and Cambria stakeholders as well as encourage revitalization of older commercial buildings. However, now this program is not limited by specific areas and is instead offered to all of Christiansburg.

Mission Statement

The Façade Grant Program aims to help business owners, with the consent of property owners, improve their building façades and encourage investment in our business areas. It is designed to enhance the streetscape, strengthen partnerships with stakeholders and encourage revitalization of older buildings. Furthermore, the intent of the program is to assist for-profit businesses in growing the tax base within the Town.

POTENTIAL ACTION:

Council Discussion

DEPARTMENTS:

Planning/Administration

ITEM HISTORY:

See above and attachments for prior approvals and photos. Town Council meet on July 17, 2024 for a work session on the Façade Grant Program. Town Council affirmed that the Town would utilize last year's regulations for the program again this year, with the exception of extension of the timeframe to complete being extended until June 1, 2025, at their July 23, 2024 regular meeting. At their January 28, 2025 regular meeting, Town Council voted to award the following façade grants:

- \$5,000 to Crossfit Christiansburg, 1085 N. Franklin Street for painting the façade of the building.
- \$5,000 to Macados Inc., 37 W. Main Street for replacement of the existing street level windows.
- \$5,000 to New River Insulation Co., 1270 Roanoke Street for replacement of garage doors (period specific) and replacement of awning separately from the business name.
- \$5,000 to Subway, 26 N. Franklin Street for installation of handrails and hardscaping that will enclose outdoor seating (flowerboxes).
