V. INTRODUCTIONS AND PRESENTATIONS

A. Executive Director Caleb Taylor and Board of Directors Chairman Dr. William Knocke from the New River Valley Regional Water Authority to present on Authority operations

Mr. Taylor addressed Council and explained that the NRV Regional Water Authority services the Towns of Blacksburg and Christiansburg, Virginia Tech, and areas of Montgomery County served by the Montgomery County PSA. Mr. Taylor also explained that the Authority's source for water is the New River and that water is withdrawn from the river and pumped to the water treatment plant for treatment and purification before it is sent out.

Mr. Taylor touched on improvements to the Authority's facilities as well as their organizational structure, noting that the Water Authority is staffed 24 hours a day, 365 days a year. He spoke about the wholesale rates of the Authority and how they have changed through the years, noting an average rate increase from years 2019 – 2026 which equal 2.84%.

Mr. Taylor spoke about the Boil Water Advisory in 2024 due to Category 4 Hurricane Helene, noting the storm caused destruction to Southwestern Virginia which included the New River basin. He added that the Route 114 Bridge almost flooded, and waters rose along with accumulated mud and rendered the Authority's pumps out of service. Mr. Taylor explained that due to employee safety and nonworking pumps, the plant had to shut down. He confirmed they were able to maintain system demand but were not able to fill the tanks completely with water. Mr. Taylor stated that on September 30<sup>th</sup> the staff had two choices: continue cleaning the plant and let storage run out in the

system or place the plant back into operation, continue adjusting treatment, monitor and potentially issue a Boil Water Advisory. He explained the plant was shut down and taken offline but back in compliance within 24-36 hours. Mr. Taylor stated an After-Action Report was being prepared by consultants for technical and non-technical aspects and should be ready by the end of June.

Mr. Taylor spoke about the Community Water Fluoridation and explained the NRVWA follows CDC, EPA, and VDH-ODW guidelines on fluoridation with a fluoride concentration level of 0.7 mg/L to the system. He added that the New River has a natural fluoride level of 0.1-0.2 mg/L and the NRVWA feeds supplemental fluoride of approximately 0.5 mg/L. Mr. Taylor noted that the Authority provided samples for the EPA and VDH-ODW's two rounds of sample testing and stated that those samples came back as non-detect for high fluoride.

Councilwoman Hicks questioned what the future for fluoridation looked like and asked if it would ever be taken out of the water system. Dr. William Knocke explained that it would depend on direction from federal laws. Dr. Knocke did feel that completely banning fluoride in the water could have a negative impact on children's teeth.

Councilman Wilson thanked Mr. Taylor and Dr. Knocke for their efforts during the water shortage and expressed he was looking forward to the After-Action Report.

Councilwoman Bowman expressed concern for health consequences pertaining to fluoride and noted she would like to see fluoride taken out of drinking water.

- B. Fire and EMS Chief Billy Hanks to introduce new Firefighters Jacob B. Walters and John D. Sievers

Chief Hanks introduced the new Firefighters to Town Council and gave a brief history of their background.

## VI. CITIZEN COMMENTS

Chris Waltz, 1370 Rigby Street, commented on the budget not reflecting funds for positions of firefighters. Mr. Waltz also referenced a previous Council meeting concerning a discussion of a Councilmember voting against an award for Parks and Recreation. Mr. Waltz noted that he had requested information through FOIA, and the information he received reflected the vote did not exist. Mr. Waltz also noted concern for the Town's chain of command that had been discussed at the previous Council meeting.

Joyce Radford, 510 Ellett Road, questioned a previous discussion by the Water Authority and inspecting the Town for lead pipes. Public Works Director Jim Lancianese noted the Town of Christiansburg met criteria to be recognized as a lead-free community and has reviewed its records related to service lines. He added that the Town continues to examine and track service line materials throughout the system and more information could be found on the Town's website.

VII. COMMITTEE REPORTS

Councilwoman Hockett reported the Central Business Committee would meet April 23<sup>rd</sup> at 4:00 p.m.

VIII. DISCUSSION AND ACTION BY MAYOR AND COUNCIL

A. Appointment of Scot Shippee to the New River Valley Regional Water Authority for the remainder of Wayne Nelson's four-year term (ending June 30, 2026)

Mayor Barber explained that Engineering Consultant Wayne Nelson had resigned from his full-time position and has turned in his resignation effective immediately for the Water Authority. He added that the Authority needed a member of Town staff to fill the position.

Councilman Wilson made a motion to appoint Scot Shippee to the New River Valley Regional Water Authority, seconded by Councilwoman Hockett. Council voted as follows: Bishop – Aye; Bowman – aye; Hicks – Aye; Hockett – Aye; Jenkins – Aye; Wilson – Aye.

*Motion Approved*

IX. STAFF REPORTS

A. Town Manager

Mr. Wingfield reported that a total of 40 beds had been built on Friday, the 18<sup>th</sup> for the Sleep in Heavenly Peace Bed Build. He added that the Easter Hunt for both adults and children were favorably welcomed by the community. Mr. Wingfield noted that Spring Clean - Up would continue until Friday, the 25<sup>th</sup> and Façade Grant applications were due by June 30<sup>th</sup>. Mr. Wingfield stated that dates for a meeting with Montgomery County had been sent to County Administrator Angie Hill. Councilwoman Bowman questioned if a financial evaluation had been included in the study for emergency services funding. Mr. Wingfield explained that the proposal had been received by the Town, and the Town had asked for a financial evaluation to be included.

B. Town Attorney – no report.  
C. Other Staff – no report.

X. COUNCIL REPORTS

Councilwoman Hicks asked Council if they would like to have a second budget work session. She noted she would like to discuss the water rate increase, new positions, and staff merit and COLA increases. Council agreed to April 29<sup>th</sup> at 6:00 p.m.

Councilwoman Bowman asked if there was an update on the audio for meetings held in the building. Public Relations Director Christina Bolt explained the audio would be installed before the next Town Council meeting. Mrs. Bolt also noted that unfortunately there were issues regarding the sound for tonight's meeting.

XI. OTHER BUSINESS

XII. ADJOURNMENT

There being no further business to bring before Council, Mayor Barber adjourned the meeting 7:49 p.m.

**CHRISTIANSBURG TOWN COUNCIL  
CHRISTIANSBURG, MONTGOMERY CO., VA.  
SPECIAL MEETING MINUTES  
APRIL 29, 2025 – 6:00 P.M.**

A SPECIAL MEETING OF THE CHRISTIANSBURG TOWN COUNCIL, MONTGOMERY COUNTY, CHRISTIANSBURG, VA. WAS HELD AT CHRISTIANSBURG TOWN HALL, 100 EAST MAIN STREET, CHRISTIANSBURG, VIRGINIA, ON APRIL 29, 2025, AT 6:00 P.M.

COUNCIL MEMBERS PRESENT: Mayor D. Michael Barber; Samuel M. Bishop; Kim Bowman; Johana Hicks; Tanya Hockett; Casey Jenkins; Vice-Mayor Tim Wilson

ADMINISTRATION PRESENT: Assistant Town Manager Scot Shippee; Clerk of Council Tracy Heinline; Public Relations Director Christina Bolt; Fire and EMS Chief Billy Hanks; Police Chief Chris Ramsey; Public Works Director Jim Lancianese; Assistant Public Works Director, Streets Travis Moles; Director of Aquatics Terry Caldwell

**WORK SESSION**

**I. Call To Order**

Mayor Barber called the work session to order.

**II. Adjustment of the Agenda**

No adjustment to the agenda.

**III. Discussion and Action by Mayor and Council**

**A. Fiscal Year 2025-26 Budget**

Assistant Town Manager Scot Shippee referenced a list of expenditure considerations and explained that several events have affected the Town's budget including inflation, Hurricane Helene, and the Boil Water Notice. Mr. Shippee touched on several long-term large capital expenditures as well as proposed revenue for the Town. He spoke about the potential revenue from taxes and fees and noted the anticipated water rate increase of 4.5% (\$0.19/1,000 gallons) as well as future increases for water rates.

Councilwoman Hicks expressed concern for raising water rates and noted that citizens were struggling to pay their water bills currently. Councilwoman Bowman suggested not raising the water rates since the Town was in solid shape and felt other areas of spending could and should be cut.

Mr. Shippee spoke about the request for a discussion with Montgomery County to discuss Fire and EMS funding. He explained a letter to the County had been sent asking for a meeting with the Board of Supervisors and noted that although their budget had been approved there was allowance for an amendment. Mr. Shippee added that the County would be performing a study concerning emergency equipment in which the Town has requested a financial analysis as well. Mr. Shippee questioned Council if they would like to wait for the final study to be completed before asking for funds from the County. Council agreed.

Councilwoman Hicks expressed concern for EMS and Fire positions and felt Council should push for 2 new positions for both. Mrs. Hicks noted the community keeps growing and was concerned the amount of work was placing too much stress on volunteers and full-time staff. Councilman Bishop stated he would like to leave funds where they are and felt strongly that administration had made a good decision not including the positions in the budget.

Councilwoman Hicks questioned funding Montgomery County Tourism and the Small Business Solutions Manager position, stating she felt the emergency positions should be a higher priority. Mayor Barber expressed confidence in Tourism stating there had not been a great deal of marketing efforts up to this point, but with a new director the outlook was positive. He added that the Small Business Solutions Manager was a valued position that encourages business growth.

Chief Hanks commented that he would prefer to wait for the County's study before asking for funds. He noted the study would give the Town all the information needed to make a logical ask to the County.

Mr. Shippee referenced the large capital projects in the proposed budget and explained the cost estimates for the NRV Passenger Rail Station and NRV Emergency Communications projects. He noted that other localities/members of the two authorities would share in the cost of the large capital projects.

Mr. Shippee presented the proposed cost-of-living-adjustment (COLA) and merit increases for Town staff. Mayor Barber expressed the importance of remaining competitive with other surrounding areas and providing the best service to the citizens of Christiansburg. Councilwoman Hicks noted concern for the lower salary positions and expressed the need for further positions in Public Works. Public Works Director Jim Lancianese explained that although there were vacant positions in Public Works, that over time the work is distributed out among current employees and controlled. He made Council aware that the Town had just lost two employees to the Town of Blacksburg and expressed the importance of COLA and merit increases to remain competitive with surrounding localities. Mr. Lancianese added that the Town has provided competitive wages to the Town employees and felt the need was to maintain that.

Council discussed the Kenneth B. Gibson Memorial Park-and-Ride sign and suggested that instead of spending \$25,000 for a new sign, VDOT could be asked to install the sign or the Town's Public Works department could provide a sign.

Mr. Shippee concluded that the Public Hearing for the proposed budget would take place on May 13<sup>th</sup>. Mayor Barber suggested a possible work session after the Public Hearing to discuss any public comment.

#### IV. Adjournment

There being no further business to bring before Council, Mayor Barber adjourned the meeting at 7:22 p.m.

**MEETING DATE:**

May 13, 2025

**ITEM TITLE:**

Task Order #3 with Hurt & Proffitt for Acoustic Leak Detection and Field Analysis in the amount of \$180,000.

**DESCRIPTION:**

Under this task order, Hurt & Proffitt and their subcontractor will coordinate with the Town to plan and conduct acoustic leak detection field testing across approximately 164 miles of waterlines. The results will be analyzed and mapped in a GIS database to identify leak locations and severity. This information will be used in the development of prioritized repair and replacement projects. A final report will be prepared with recommendations and cost estimates for both point repairs and capital improvements. The total contract amount for this task order is \$180,000, with fieldwork expected to take nine months and data analysis and report preparation to follow within two additional months. This work is directly aligned with the recommendations of the 2025 Water Loss Study. This work is being performed under the Water, Sewer, and Wastewater Treatment Term Services Contract.

**POTENTIAL ACTION:**

Approve Task Order #3 and authorize the Town Manager to execute the agreement.

**DEPARTMENT:**

Engineering

**PRESENTER:**

Michael Kelley

**ITEM HISTORY:**

The 2025 Water Loss Study, prepared by McGill Associates, identified a water loss rate of 35% in the Town's water distribution system. The study recommends implementing acoustic leak detection to pinpoint leaks and support future infrastructure planning. Following these recommendations, Hurt & Proffitt was selected under the Town's Water, Sewer, and Wastewater Treatment Term Services Contract to perform the field analysis and reporting. The proposed work will serve as the first step in addressing non-revenue water loss, developing actionable projects, and supporting future capital planning efforts.

Award a construction contract to King General Contractors, Inc. in the amount of \$665,245.39 for the construction of the East Main Street Sidewalk project.

**DESCRIPTION:**

Contract award in the amount of \$665,245.39 to King General Contractors, Inc for construction of the East Main Street Sidewalk project. The project consists of approximately 850 linear feet of sidewalk improvements, installation of curb and gutter, and replacement of storm drain infrastructure. The project is located along the east side of East Main Street and extends from School Lane to Harless Street. This project is expected to take 4-6 months to construct.

**POTENTIAL ACTION:**

Approve Notice of Award and authorize the Town Manager to enter into Contract for the subject Work, subject to Attorney review and approval.

**DEPARTMENT:**

Engineering

**PRESENTER:**

Michael Kelley

**ITEM HISTORY:**

The Town issued an IFB on March 27, 2025, for the East Main Street Sidewalk Contract. Bids were received from two contractors on April 29, 2005. King General Contractors, Inc was the lowest bidder. Staff has reviewed the bids and recommends entering into contract with King General Contractors, Inc to perform the work. The project is 100% federally funded through the Community Development Block Grant (CDBG) funds.

## **RESOLUTION RECOGNIZING MAY 18-24, 2025 AS NATIONAL PUBLIC WORKS WEEK**

**WHEREAS** the objective of National Public Works Week is to honor the services of the public works employees who live among us; and,

**WHEREAS** the year 2025 marks the 65<sup>th</sup> annual National Public Works Week sponsored by the American Public Works Association and this year's theme is "People, Purpose, Presence"; and,

**WHEREAS** public works professionals focus on infrastructure, facilities and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life and well-being of the people of Christiansburg; and,

**WHEREAS** public works empower the citizens of a nation with stability and security, making it possible to become contributing members of society and providing direct employment to thousands of workers; and,

**WHEREAS** public works is the thread that connects us all, no matter where we live in the world, and,

**WHEREAS** all public works professionals connect us physically, through infrastructure, and inspirationally, through service to their communities, whether as first responders, or daily workers carrying out their duties with pride.

**NOW, THEREFORE, BE IT RESOLVED** that the Council of the Town of Christiansburg, Virginia declares the week of May 18-24, 2025 as, National Public Works Week in the Town of Christiansburg, Virginia, and do hereby call upon all citizens to join with representatives of the American Public Works Association/Canadian Public Works Association and government agencies in activities, events and ceremonies designed to pay tribute to our public works professionals, engineers, managers and employees and to recognize the substantial contributions they make to protecting our national health, safety, and quality of life.

## **RESOLUTION RECOGNIZING MAY 18-24, 2025 AS NATIONAL EMERGENCY MEDICAL SERVICES WEEK**

**WHEREAS** emergency medical services is a vital public service; and

**WHEREAS** the staff and volunteer members of Christiansburg Rescue are prepared to provide lifesaving care to those in need 24 hours a day, seven days a week; and

**WHEREAS** access to quality emergency medical care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

**WHEREAS** emergency medical services has grown to fill a gap by providing important, out of hospital care, including preventative medicine, follow-up care and access to telemedicine; and

**WHEREAS** the emergency medical services system consists of emergency medical technicians, paramedics, emergency medical dispatchers, emergency medical services educators and administrators, emergency nurses, emergency physicians, other out of hospital medical care providers and first responders, and trained members of the public; and

**WHEREAS** the members of emergency medical services teams, whether career or volunteer, engage in hundreds of hours of specialized training and continuing education to enhance their lifesaving skills; and

**WHEREAS** the Town of Christiansburg and its citizens greatly benefit from the outstanding work of emergency medical services providers throughout our community.

**NOW, THEREFORE, BE IT RESOLVED** that the Council of the Town of Christiansburg, Virginia declares the week of May 18 – 24, 2025 as National Emergency Medical Services Week in Christiansburg to recognize the efforts of Christiansburg Rescue and all the emergency medical services members in our community and to applaud their accomplishments.

**ITEM TITLE:**

A Conditional Use Permit request by SHAH Development LLC, applicant and property owner, to allow single-family or two-family dwelling(s) in the B-3 General Business District on property located on the western side of Plum Street NE across from Trent Drive NE (approximately 0.776-acre Tax Parcel 497 – ((2)) – B; Parcel ID 120350). The property is designated as Residential on the Future Land Use Map of the 2013 Christiansburg Comprehensive Plan.

**DESCRIPTION:**

The applicant is seeking approval for a Conditional Use Permit (CUP) to allow residential use, specifically single-family or two-family dwellings, within the B-3 General Business District zoning. The proposed development will adhere to the R-3 development standards. The property is not located within either the 100- or 500-Year Flood Hazard Area.

If this request is approved, in accordance with Sec. 42-623 (a) (1) of the Christiansburg Town Code, the applicant will be required to submit a full Site Plan to the Town for review and approval.

On March 31, 2025, Planning Commission voted 5 – 1 to recommend approval of the request with the following condition:

1. Development shall comply with Section J109.4 Drainage Across Property Lines of the 2018 International Building Code.

**J109.4 Drainage Across Property Lines**

Drainage across property lines shall not exceed that which existed prior to grading. Excess or concentrated drainage shall be contained on site or directed to an approved drainage facility. Erosion of the ground in the area of discharge shall be prevented by installation of nonerosive down drains or other devices.

Following the Planning Commission's recommendation, an alternative Condition has been proposed and recommended by staff:

1. The site plan shall be designed so that the stormwater runoff generated by the project will be conveyed in a manner as to not cause an adverse impact on adjacent properties.

**TOWN OF CHRISTIANSBURG  
TOWN COUNCIL  
AGENDA COVER SHEET**

**AGENDA LOCATION:**

Discussion by Mayor and Council

**MEETING DATE:**

May 11, 2025

**ITEM TITLE:**

Budget Amendment #4 to the 2024–25 budget.

**DESCRIPTION:**

The approved 2024–25 budget does not include the State Heat Grant that was received from the State in the amount of \$12,500 for the purchase of flock cameras. A transfer from the town manager's miscellaneous budget to community support for the NRV Passenger Rail Station is requested in the amount of \$7,284. Finally, unassigned general fund balance is requested for the purchase of land in the amount of \$88,000 and \$2,500 for repairs to the Aquatics roof. The aggregate increase in expenditure amount is less than 1% of the total approved budget at this time and therefore would not require a public hearing.

**POTENTIAL ACTION:**

Approve resolution to adopt budget amendment #4 and approve appropriation resolution for budget amendment #4.
