The meeting was called to order by Jeremy Williams.

In attendance: Jeremy Williams, Jim Vanhoozier, Shirley Hallock, Bert Locklin, Michael St. Jean, Karen Drake, Steve Simmons, Terry Caldwell.

Minutes of previous meetings were approved as presented.

Terry introduced the new Aquatics Services Manager, Allison Zuchowski and Facility Coordinator, Shawn Worthley.

The position of Competitive Coordinator has been reposted and they will be reviewing applications in near future.

Jeremy presented most recent version of proposed fee schedule. Much discussion was held on this schedule along with fees being paid for parents or grand parents who are not actually utilizing the pool. Discussion was held on responsibilities of life guard and how the responsibility of monitoring for those not paying versus those paying would detract from this greater responsibility of monitoring the pool water. It was also discussed that even if they are not using the pool, they will be contributing to wear and tear on the facility, including deck furniture etc. Discussion was also held in direction of those on the pool deck should be paying as they will have access to the pool. There is no spectator deck in the leisure pool.

Discussion was held on the difference between a summer pool membership and membership in a year round indoor pool. Most members at the outdoor summer pool are there to be outside and only for the summer. Once the summer season is over most kids are moving onto other sports and activities during the winter months.

Further discussion was held on the fee schedule in each category including resident and non-resident fee.

Terry will do further work from our input and we will continue to address the fee schedule at our next meeting to be held on October 7, 2009

Meeting was adjourned
