

Christiansburg Aquatic Center  
Advisory Board Meeting  
April 7, 2010

In attendance: Terry Caldwell, Jeremy Williams, Jim Vanhoozier, Michael St. Jean, Karen Drake, Shirley Hallock, Steve Simmons

The meeting was called to order by Jeremy Williams.

General discussion was held on the age used to determine Senior Citizen status for admission. Blacksburg uses 65 for admission into their pool, the Christiansburg Recreation Center uses 50 and over. The feeling was that this committee would recommend that we use age 60 and above for Senior Status.

Terry commented that she has received calls from people recently inquiring on reduced fees for various reasons. General discussion was held on this matter questioning how one would go about determining any discounts if offered and as a group we felt that the pricing for the Aquatics Center is affordable and at this time we feel that no discounts should be offered and if need be this could be addressed again in the future.

Shirley made a motion that we recommend that no discounts be given and we also recommend that this be added to the policies and procedures manual. Mike made a second to the motion and the motion was approved with all in agreement. It was agreed that this is an item that we can discuss further in the future if the need arises.

Discussion was held on the transit bus route and how that may be better utilized to better accommodate the aquatics center and recreation center.

The application process for hiring is nearly completed and they should start the hiring process shortly.

Next meeting is set for May 5<sup>th</sup>.

With no further business the meeting was adjourned.
