Advisory Board  
September 5, 2012

In Attendance: Jeremy Williams, Steve Simmons, Shirley Hallock, Mark Layne, Terry Caldwell, Maddie Duke

Absent: Karen Drake, Amelia Tuckwiler, Jim Vanhoozier

The meeting was called to order by Jeremy Williams. Shirley motioned for the minutes from last meeting to be approved, Steve seconded. The board voted on the motion as follows: AYES: Williams, Simmons, Hallock, Layne. NAYS: none.

Terry started her report with the July 2012 Revenue Report. Terry let the board know that there is a two-sided brochure in the works to place at rest areas across the area as well as area hotels/motels. This brochure will have the aquatic center's basic information as well as information travelers would want to know about the facility.

Terry discussed the closing of the pools Monday-Friday beginning August 27<sup>th</sup>. Starting with the Montgomery County Public School year, the therapy pool will close 1-2pm and the leisure 2-3pm. The pools will be open normal operating hours when there are school closures, early releases and holidays. Terry has heard a few comments from the public about the closure of the therapy pool and is currently reevaluating the issue.

Terry also discussed with the board a comment that she heard from a patron about the aquatic center's being very inexpensive compared to what it has to offer.

Jeremy asked Terry how maintenance week went and Terry advised the board that next year, the aquatic center would need to be closed for more than a week due to the amount of work it takes to clean such a big facility.

The next meeting will be scheduled as needed.

Meeting was adjourned.
