WELCOME

Welcome to Christiansburg! We hope this guide helps you navigate your recent move and allows you to settle into our community.

A Little Bit About Us

Christiansburg is named after Colonel William Christian, a famed frontiersman and brother-in-law of Patrick Henry. The Town is tucked between the slopes of the Blue Ridge Mountains and the winding path of the New River in southwest Virginia. Originally a concentration of taverns and rest stops along the Great Wilderness Road (U.S. Route 11), the original 1.1 square mile town was established on November 10, 1792, by the Virginia General Assembly. Learn more about Christiansburg's history by visiting www.christiansburg.org/history or by visiting the Montgomery Museum (www.montgomerymuseum.org).

The Town of Christiansburg was later incorporated on January 7, 1833. Today, Christiansburg is 14.75 square miles and home to more than 24,000 residents, making Christiansburg the fourth largest town in the Commonwealth of Virginia. The Town serves as Montgomery County's seat and the commercial hub of the New River Valley. Christiansburg is ideally situated just off I-81 with quick access to Virginia Tech, Radford University and New River Community College.

The Town of Christiansburg operates under a Council-Manager form of government. The Town Council is the legislative body of the Town, comprised of the Mayor and six council members who enact laws, determine policies and adopt the annual budget. Every year, the Town Council appoints the Town Manager, Chief of Police, Treasurer, Clerk of Council and the Town's attorney.

Recreation is a large part of Christiansburg's identity. Be sure to explore all the programs we offer at our aquatic and recreation facilities and take a walk along the Huckleberry Trail, which connects Christiansburg to neighboring Blacksburg. Our state-of-the-art Aquatic Center has both recreational and competitive offerings, including a leisure pool with a triple-loop slide, a therapy pool and a 50-meter competition pool. We hope you will spend some time at our new, 50-acre Christiansburg Huckleberry Park which features an all-inclusive playground, splash pad, dog park, pavilions, multipurpose playing fields and more!

Despite the Town's growth, Christiansburg still possesses its original small-town vibe and neighborly spirit. We're thrilled to welcome you into our community.

A penalty of 10% of the unpaid balance will be added to your account after the due date listed on your bill. UTILITIES

Service Restoration

Once an account is placed on a disconnection list and crews are dispatched, customers must pay the total unpaid balance, plus an additional \$25 reconnection fee, in order to reconnect service or avoid disconnection. All connections must show proof of ownership or rental agreement. If you need to transfer, close or add an account, please visit our Finance Department at Town Hall to fill out the appropriate form. Service may then be changed, added or removed from your name once all charges have been paid. Moving? Be sure to file a disconnection of service form to prevent future billing. Forms are available online at www.christiansburg.org/townforms, as well as at Town Hall.

Meter Readings

Water meters are read monthly. You may also contact the Finance Department to rent a pool meter (for a deposit fee) or buy a garden meter to help reduce your sewer bill.

Leak Adjustment Policy

If you find that your water usage in one billing period is more than your average consumption over three billing periods (in excess of 25% and 3,000 gallons), please contact the Town immediately. If the cause of the leak is found to be on your side of the water meter, you must have the leak repaired within 10 days of reporting it. Please provide the Town with documentation of the repair within 15 days to have your water bill adjusted. Please allow seven to ten days for processing. **Note:** bills will not be adjusted for broken garden hoses or spigots left open or turned on by accident.

Other Utilities

The Town of Christiansburg does not provide electricity, gas, internet, phone or cable television utility services. We list several local providers on our website at www.christiansburg.org/newresidents. Please note that the list is not exhaustive and other service options may be available.

If you have any questions about billing, please call the Finance Department at (540) 382-9519.

If you have a leak or other utility issue, please call the Public Works Department at (540) 382-1151.

SOLID WASTE & RECYCLING

The Town's solid waste collection includes garbage collection once a week and recycling collection every other week for \$23 per month. Customers will be billed for solid waste collection with their water and sewer services. Customers may choose between a 96-gallon or 48-gallon green garbage cart and a 96-gallon or 65-gallon blue recycling cart. There is no difference in cost between the large and small carts, with or without recycling.

Please note that all solid waste must be placed inside your carts with the lid closed. Anything placed outside of the carts will not be collected. Please place your cart(s) out for collection no later than 8 a.m. on the day of your collection. Please remove your cart(s) from the curbside by the end of your collection day. For more information, please visit www.christiansburg.org/solidwaste.

Hazardous Waste Disposal

Household Hazardous Waste (HHW) is waste that is considered to be: toxic, poisonous, corrosive, reactive, flammable or combustible. Read the label on products to determine if it is a hazardous product. Words like "poison," "danger," "warning" or "caution" will alert you of the potential hazard. These products should not be disposed of in the landfill. **Please do NOT place these items in your regular household garbage or recycling.**

Instead, please dispose of these items at one of the New River Resource Authority's Household Hazardous Waste Collection events. Learn more at www.newriverresourceauthority.org.

Holiday Collection Schedule

The Town operates on a modified collection schedule on holidays. At the beginning of the year, the schedule is mailed to residents in their utility bills and can be found online (www.christiansburg.org/solidwaste). Before each holiday, collection changes are sent to Citizen Alert subscribers (www.christiansburg.org/alerts) and shared on the Town's Facebook page (@CburgVAGov), website and the Town's newsletter, The Christiansburg Connection, (www.christiansburg.org/connection).

Solid Waste Collection Sites

Montgomery County offers ten staffed sites that collect recycling, as well as garbage. All Christiansburg residents can visit any of the County's locations, but the following locations are closest to Town limits:

Spring & Fall Cleanup

Spring and Fall Cleanup are held for two weeks in April and October. During this time, the Town will pick up tree and brush trimmings, old furniture, a maximum of two appliances, and up to four tires per household. There is no charge for items picked up during Spring and Fall Cleanup. For more info, please visit

www.christiansburg.org/cleanup, and for a full list of accepted items, please visit www.christiansburg.org/cleanupFAQ.

Please place items within 10 feet of the street or pavement and separate these items from your regular trash. **The Town is not responsible for any items left at or near the street that residents did not intend to have collected.** Please separate brush from other materials. Items that do not comply with cleanup rules will not be collected. Leaves must be bagged during Spring Cleanup, but may simply be placed in a pile during Fall Cleanup.

Though special collection crews follow regular solid waste routes, cleanup may run a day or two behind solid waste collection schedules, depending on volume. If it is nearing the end of Spring or Fall Cleanup and your items have not been collected, please call (540) 382-1151.

Watch the Town's website and Facebook ([@CburgVAGov](https://www.facebook.com/CburgVAGov)); the bimonthly newsletter, The Christiansburg Connection (www.christiansburg.org/connection); and local newspapers for specific cleanup dates.

Collection Outside of Cleanup

RATES & FEES

Monthly Brush Collection

The Town offers monthly, complimentary curbside brush collection to residential properties within town limits. Brush collection begins the first Monday of the month and continues for two weeks.

Town residences are divided into two quadrants and receive service either the first or second week. Visit www.christiansburg.org/brush to view which week you should set out your brush.

Residents must have their brush piles placed out by 7 a.m. on the Monday of their collection week. For this service, brush is defined as tree limbs or logs from trimming or pruning trees. The following will not be accepted: leaves, weeds, grass clippings, vines, other yard waste and construction materials. These items can be collected during Spring or Fall Cleanup or by scheduling a pickup outside of April or October.

In the event of high brush volume, residents can expect brush collection delays, but crews will continue collection until all routes are complete. Brush collection service will not take place during the months of April and October due to Spring and Fall Cleanup.

Service Requirements

- Items from residents outside of Town limits or private or commercial operations will not be accepted.
- Logs greater than 10 inches in diameter are not permitted.
