

PRESENTS AND HOLLY FOR CHRISTMAS JOLLY

Christmas Parade

Friday, Dec. 13 7 p.m.
Downtown Christiansburg

INCLEMENT WEATHER DATE DEC. 16.

Registration deadline: Friday, November 15 at 5 p.m.

Christiansburg's 2019 Christmas Parade

"Presents and Holly for Christmas Jolly"

Rules and Regulations

Parade entries will be judged with the following criteria:

Three categories: A. Float, B. Non - Float (marching/walking groups, cars and bands), C. Best Overall. Judges will also be looking for adherence to the theme; creativity; innovative use of materials; craftsmanship. All judging will occur during the parade itself. Judges will be selected/solicited by Parks and Recreation Staff. All judge's decisions are final.

- We encourage all parade participants to plan their decorations around the theme of the parade or to at least decorate their entry with Christmas decorations. This includes walking groups, floats or cars and excludes all emergency vehicles (police, fire and rescue).**
- Safety is the most important aspect of the parade. Anyone deemed acting in an unsafe manner will not be allowed to participate.
- All entries will be given a number and all parts of your entry must have the number displayed on the right side, if they do not they do not get to go through the parade route. Walking groups only have to display one number. Emergency vehicles are exempt from the number.
- Throwing, tossing or handing out of candy or gifts from any entry is strictly prohibited, with the exception of our Santa riding on the last fire engine.**
- The parade route is on public streets and is under the jurisdiction of the Christiansburg Police Department. Anyone operating a motorized vehicle is reminded that these vehicles must be operated in accordance with the law.
- Race cars, tractors and unlicensed trailers are allowed to participate in the parade provided that they do so in a safe manner.
- All participants riding on floats should follow basic safety rules. They should stay away from the edges and keep hands and feet away from the wheels of the float and the vehicle.
- Any vehicles that experience mechanical difficulties anywhere along the parade route should attempt to pull over to the side of the road and out of the parade line. Do not attempt to repair any distressed vehicle. Anyone requiring assistance should seek out a police officer that will be along the parade route at most intersections. Payment for any repair or towing charge will be the sole responsibility of the persons or organization requesting service.
- Do not proceed onto the street until you are signaled by a parade official. This will help to ensure the safety of all.
- In case of inclement weather, the decision will be made by noon on December 13 to postpone the parade.

Return to the Christiansburg Recreation Center no later than Friday, November 15 at 5 p.m.

1600 N. Franklin St.

Christiansburg, Virginia 24073
