COMMUNITY CORNER

Teen Police Academy

The Christiansburg Police Department has been coordinating a summer Teen Police Academy for more than a decade. This year, the Dialogue on Race Law Enforcement Subcommittee discussed bringing the program to Montgomery County Public Schools. In doing so, the program has been able to reach a more diverse and inclusive audience than ever before.

Students graduated from the 2022 Teen Police Academy on April 11 after participating in various educational sessions with Christiansburg Police Department, including virtual reality training, K9 demonstration and more.

Students interested in joining the program next year should contact their school counselors to learn more information on applying to the Teen Police Academy.

This program inspired the Fire Department to start their on Teen Fire Academy during summers. Contact Christiansburg Parks and Recreation to learn more information about this program by calling 540-382-2349.
