HAZARDOUS WASTE

Did you know that dumping anything down a drain or manhole into the wastewater system is illegal? Gasoline, diesel and chemicals may produce an explosive environment in the pipes that lead right to your home or business. Yikes! Talk about a big bang... Please properly dispose of unwanted gasoline, motor oil or chemicals by contacting the New River Resource Authority at 540-674-1677. A free collection event is scheduled for September 10, 2022. You may call in August to make an appointment. Reminder, please flush only the 3 Ps—pee, poo and paper. Even if the packaging says so, wipes are not flushable and can clog pipes, causing costly repairs for you and the Town.
