FALL CLEANUP: OCTOBER 7-18

In April and October each year, the Town offers free special collection periods for residents to place out larger items for pickup. To make it easier on collection crews, please place cleanup items within 10 feet of the street pavement and separate them from your regular trash. Please do not block ditches, gutters, sidewalks, water meters or sewer cleanouts. **The Town is not responsible for any items left at or near the street that residents did not intend to have collected.** Piles that do not comply with cleanup rules will not be collected. Please also separate materials by type (i.e. pile bagged leaves, tree limbs and trimmings separately). For more info, please visit www.christiansburg.org/cleanup, and for a full list of accepted items, please visit www.christiansburg.org/cleanupFAQ.

Though special collection crews follow regular solid waste routes, cleanup may run a day or two behind solid waste collection schedules, depending on volume. If it is nearing the end of Fall Cleanup and your items have not been collected, please call (540) 382-1151.

Throughout the year, residents may also set out their brush for complimentary monthly collection. Please visit www.christiansburg.org/brush to learn more. Brush collection will not run in October as it is part of Fall Cleanup.
