

INCLEMENT WEATHER POLICY

If the decision is made the day before to close Montgomery County Public Schools in person classes the next day due to inclement weather, the Christiansburg Recreation Center will not open until 8 a.m. and all scheduled programs will be canceled for that date.

If Montgomery County Public Schools are delayed in the morning due to inclement weather, all programs before noon will be canceled for that morning.

If Montgomery County Public Schools are released early due to inclement weather, all programs after noon will be canceled for that afternoon/evening.

If Montgomery County Public Schools after-school activities are canceled, all of our evening programs will be canceled for that evening.
