Welcome!

Welcome to the Christiansburg Department of Parks and Recreation Youth Sports programs! We sincerely hope that you will find your participation in our leagues to be rewarding and, most of all, a positive experience for all of the kids.

Youth sports programs present a unique opportunity for adults to help shape life-long skills and attitudes about sports. We all remember coaches that stand out as good teachers, supportive friends, and positive role models. On the other hand, most of us can think of a few that fell short in these areas.

This handbook was created to help ensure that our young people remember our programs as a positive experience in their life. We want them to have fun as we continue to reinforce such values as teamwork, sportsmanship, fitness, cooperation, and respect. While we recognize that competition is a key component of sports, our programs are designed to be about much more than winning a game, making an all-star team, or having an undefeated season.

We thank you for giving your time and energy to help make the Christiansburg Department of Parks and Recreation Youth Athletic Program a success. The success of the program depends on the commitment of parents, coaches, officials and others to cooperate in creating a positive experience for each player. This handbook creates the framework for that commitment.

Thanks again for your participation in our Youth Sports program. Please feel free to share your ideas for improvement with our Recreation Director and Staff.
The Christiansburg Department of Parks and Recreation Mission statement:
The Christiansburg Department of Parks and Recreation exists to promote and implement leisure programs and services that enhance the quality of life for all ages. In partnership with the community, we pledge to deliver quality leisure programs and services in a personal, effective and successful manner.

The Christiansburg Department of Parks and Recreation Youth Sports Mission statement:
The Christiansburg Department of Parks and Recreation Youth Sports program aims to provide each participant with a fun and positive sports experience in which sportsmanship, teamwork, skills development, respect for others, and physical fitness are promoted as values more important than winning and losing.

The following objectives are designed to fulfill the Christiansburg Department of Parks and Recreation Youth Sports Mission Statement:

- To offer every participant the opportunity to learn the fundamental skills associated with each sport.
- To emphasize the lifelong benefits of physical fitness and good sportsmanship, and to de-emphasize the importance of winning and losing.
- To ensure a safe, drug-free atmosphere for games and practices.
- To promote equal and fair treatment of every participant regardless of skill level, race, socio-economic status, sex, creed, or physical ability.
- To ensure all staff, volunteer coaches, and officials are adequately trained.
- To expect and ensure good sportsmanship and fair play at all times.

Why is this Handbook Necessary?

This handbook was developed to formalize how the Christiansburg Department of Parks and Recreation youth sports leagues are conducted. With the many components and factors involved in the administration and implementation of the youth sports leagues, it is necessary to standardize the process in writing. More specifically, it is designed to:

- Standardize the process in the way youth sports are conducted.
- Explain how leagues are organized and conducted.
- Define expectations of coaches, parents, players, and officials.
- Better equip our coaches.
- Ensure a positive experience for all participants.

YOUTH SPORTS PHILOSOPHY - The Christiansburg Department of Parks and Recreation youth sports programs are designed to provide children with the opportunity to experience sports in a structured, nourishing environment. Participation in athletics plays a valuable role in the development of our children. Aspects of teamwork, dedication, discipline, physical fitness, self-esteem and fair play all contribute to the overall growth and maturation of young people.

To help implement this philosophy, the Christiansburg Department of Parks and Recreation has also adopted the “National Standards For Youth Sports” compiled by the National Alliance for Youth Sports (NAYS), an organization dedicated to improving out-of-school youth sports by raising awareness through leadership, education and advocacy. The standards are as follows:

1. **Proper Sports Environment** – Parents must consider and carefully choose the proper sports environment for their child, including the appropriate age and development for participation, the type of sport, the rules of the sport, the age range of the participants, and the proper level of physical and emotional stress.

2. **Programs Based on the Well-Being of Children** – Parents must select youth sports programs that are developed and organized to enhance the emotional, physical, social and educational well-being of children.

3. **Drug, Tobacco & Alcohol-Free Environment** – Parents must encourage a drug, tobacco and alcohol-free environment for their children.

4. **Part of a Child’s Life** – Parents must recognize that youth sports are only a small part of a child’s life.

5. **Training** – Parents must insist that coaches are trained and certified.

6. **Parent’s Active Role** – Parents must make a serious effort to take an active role in the youth sports experience of their child providing positive support as a spectator, coach, league administrator and/or caring parent.

7. **Positive Role Models** – Parents must be a positive role model, exhibiting sportsmanlike behavior at games, practices and home, while also giving positive reinforcement to their child and support of their child’s coaches.

8. **Parental Commitment** – Parents must demonstrate their commitment to their child’s youth sports experience by annually signing the Parent’s Code of Ethics Pledge.

9. **Safe Playing Equipment** – Parents must insist on safe playing facilities, healthful playing situations and proper first aid applications, should the need arise.

10. **Equal Play Opportunity** – Parents, coaches, and league administrators must provide equal sports play opportunity for all youth regardless of race, creed, sex, economic status or ability.

11. **Drug, Tobacco & Alcohol-Free Adults** – Parents, coaches, fans, and league administrators must be drug, tobacco and alcohol-free at youth league sporting events.

**Youth Flag Football** - 1 to 2 practices a week. Practices will be for 1 hour.

**Youth Tackle Football** – All teams will be allowed to have four meetings per calendar week (Calendar week is Sunday – Saturday), including games and practices. Practices are to be limited to 1 ½ hours per practice. Only one practice session will be allowed per day. A practice schedule containing time, place and date must be submitted to the Supervisor of Youth Athletics before practice begins. During the first week of practice, no physical contact will be allowed. No pads will be allowed during the first week. Players must wear their helmet the first week of practice. The first week of practice will consist of the fundamentals of blocking, tackling, stances and conditioning before any inter-squad scrimmaging occurs. Any late sign-ups must participate in three practices of just conditioning before they can practice in pads and engaging in hitting/tackling.

**Youth Cheerleading** – 1 to 2 practices a week until games start. Practices will be for 1 ½ hours. Practices will be held at the Recreation Center. Each team will have a half a basketball court to practice on. If a full court is available they can use the whole court.

**Youth Baseball, Softball, Tee Ball and Coaches/Machine Pitch** – 1 to 2 practices a week until games start. Tee Ball and Coaches/Machine Pitch practices will be 1 hour or 1 ½ hour depending on field availability.

There will be a Christiansburg Department of Parks and Recreation staff member at all home games. When potential conflict exists for away games, then a full time staff member will oversee the game. All coaches are expected to oversee their practices as a representative of the Christiansburg Department of Parks and Recreation. If there are any injuries or incidents at practices the coach will need to call the Supervisor of Youth Athletics immediately.

Players are to be excused from practices if there are parental requests for church, school activities, injuries or illness. It is the parents responsibility to notify the coach that the player will not be attending practice and why.

Practices are primarily held on week nights, but may be held on weekends and holidays.

e. Games-

Game schedules are created based on the number of teams.

Games are scheduled on weekdays and some weekends. In addition, teams may play double headers, and weekday games will not start before 5:30pm and weekend games on Saturday could start as early as 9:00am.

Some of the leagues may have travel games to other local surrounding counties (Blacksburg, Giles County, Radford City, Pulaski County, Riner, Floyd County, and Shawsville.)

Practices may be cancelled to allow for additional games.

**Youth Basketball**
Practices and games on weekdays will automatically be postponed if Montgomery County Public Schools are closed or dismissed early for inclement weather. If there is inclement weather for weekend practices or games, the Supervisor of Youth Athletics will make a decision and notify head coaches, television and radio stations, and the Christiansburg Recreation cancellation line (382-2349 option #4). Cancelled games may or may not be rescheduled due to time constraints, facility use conflicts, or other reasons.

**Youth Baseball, Softball, Football and Cheerleading**
Practices and games may be cancelled due to inclement weather or other determinations made by the Christiansburg Recreation Department. We will try to have a decision by 3pm should games be cancelled. If fields are still playable, a game time decision will be made at the fields by the Supervisor of Youth Athletics. Cancelled games may or may not be rescheduled due to time constraints, facility use conflicts, or other reasons.

   g. Awards- The Christiansburg Department of Parks and Recreation does not give out trophies for participating in our youth programs. If a team wants to give trophies out at the end of the season that will need to be done between the coaches and parents.

   h. Player Evaluations- The Christiansburg Recreation Department will hold a player evaluation session for coaches to assess players’ skill levels. The Christiansburg Recreation Department encourages all players to attend the session to help maintain equality between teams.

   Courts/Fields will be used for skill demonstrations.

   Christiansburg Recreation Department staff and coaches will give each group instructions to perform specific drills.

   The recreation staff and coaches will receive a clipboard with evaluation sheets, and will be on the skill demonstration side. Players are to be evaluated on a scale from 5 to 1, with 5 being high skills and 1 being low skills.

   Once a group is evaluated by the recreation staff and coaches, the group will be dismissed and the players may leave. Recreation staff and coaches will return their clipboard and evaluation sheets to the Supervisor of Youth Athletics at the conclusion of their league’s evaluation, and may leave.

   The scores from the evaluation sheets will be averaged and compiled by the Supervisor of Youth Athletics to create the draft sheets used for team selection.

   i. Team Drafts- The Christiansburg Department of Parks and Recreation will hold a meeting for each league to select teams.

   Only coaches attend team drafts. Players and parents are not part of the selection.

   The picking order is determined by random number drawing. Draft sheets will be distributed to the coaches. Each draft sheet will be based on their skill assessment evaluation. Each coach will draft from the highest draft sheet until that draft sheet is finished. Then they will go the next highest sheet and so forth until this draft has been completed.

   The coaches will pick from the draft sheets based on the number that they have randomly drawn. (Example: There are 5 teams and there are 15 players on the first draft sheet. Each team will receive three players from that draft sheet. Coach who had the #1 pick would have picks #1, #10, and #11, Coach #2 would have picks #2, #9, #12 and so on down to Coach #5 who would have picks #5, #6 and #15.)

   Picking begins with the highest rated players and then in descending order (5, 4…1). Head and assistant coaches automatically select their own children. If the head or assistant coaches’ child(s) is in the current rating being picked, then they are the team’s first pick(s) for that rating.
Players who do not attend player evaluations will not receive a rating before picks. Coaches will decide at the meeting a rating for each non-rated player from discussion. The player will then be included in his or her rating group.

There may be notes next to player’s names on the pick sheet. Coaches that pick a player with a “sibling” note must also select the player’s sibling in their respective rating unless otherwise noted.

Any players registering after team picks are placed on a team by the Supervisor of Youth Athletics based on the draft order.

Teams may or may not have an equal amount of players.

Coaches will pick team names and colors at this meeting in descending draft order.

j. Coaches- Each team can have a maximum number of coaches.

   - Youth Flag Football – can have 1 head coach and 2 assistant coaches.
   - Youth Tackle Football – can have 1 head coach and 4 assistant coaches.
   - Youth Cheerleading – can have 1 head coach and 1 assistant coach.
   - Youth Fall Baseball and Softball – can have 1 head coach and 2 assistant coaches.
   - Youth Baseball and Softball – can have 1 head coach and 2 assistant coaches.
   - Youth Basketball – can have 1 head coach and 2 assistant coaches.

All coaches must pass a background check once a year. All coaches must be certified once a year and if a multi-sport coach they will need to attend a skills training class for each sport that they coach every year by NAYS (National Alliance for Youth Sports). Coaches will also be required to take first-aid training once a year.

If a certified coach is no longer able to coach and a replacement is needed, then the Supervisor of Youth Athletics will find a replacement, and if necessary, designate a staff member temporarily. The replacement coach must be certified just as all other coaches are.

All coaches are volunteers and will be treated as a staff member.

k. Code of Ethics Pledge- All coaches, parents, officials and players will be required to review, understand, and abide by a Code of Ethics. A signature is required on the appropriate pledge, for all sports that the participants participate in. These pledges will be held for each sport that the participants are involved in by the Supervisor of Athletics. All pledges will be disregarded after each season.

The Christiansburg Department of Parks and Recreation prohibits the use of alcohol, illegal substances and/or tobacco by coaches, league administrators, game officials, parents, and staff at all youth sports events.

l. Inclusion- Kids with disabilities are “children first and foremost” with the same dreams and aspirations as other kids. The only difference is that they happen to have a condition that may affect some of their abilities and skills.

Including all kids with disabilities in activities with their able-bodied peers is a concept and major guiding principle of the Americans with Disabilities Act (ADA). This federal law provides an opportunity to truly welcome all children into youth sports.

ADA requires reasonable accommodations to help a child participate and enjoy the benefits all kids get from participation in youth sports. The Christiansburg Department of Parks and Recreation may change rules, policies and procedures, remove architectural, communication, and transportation barriers, and provide auxiliary aids and people to help accommodate kids with disabilities in its youth sports programs.

m. Discrimination- The Christiansburg Department of Parks and Recreation adheres to Title VII of the Civil Rights Act of 1964 which prohibits discrimination based on race, color, religion, sex, and national origin.

Other federal and state laws, such as the Age Discrimination Act of 1975 and the Americans with Disabilities Act of 1990, prohibit further types of discrimination or harassment.
n. Sponsors - The Christiansburg Department of Parks and Recreation accepts sponsorships from businesses and organizations in or beyond the Town of Christiansburg. These sponsorships help offset the overall expenses for the youth sports leagues. The fee of $250 per team is approved by the Christiansburg Recreation Advisory Commission and is subject to change.

When a business chooses to sponsor a team, they may select a particular team, or league.

Businesses that provide a sponsorship will receive their business name on the back of the team uniform, a game schedule, a uniform from their team, recognition in the local newspaper, and a “thank you” award.

o. Equipment - The Christiansburg Department of Parks and Recreation will use high quality equipment for youth sports and programs.

Parents will be held responsible for turning their child’s football equipment back into the Christiansburg Department of Parks and Recreation within two weeks after their last game. If this time-line is not met they will receive a bill for $200.00 for the cost to replace the equipment. The Christiansburg Department of Parks and Recreation will send a staff member to all last scheduled games (home or away) to pick up equipment. This is an effort to make things easier on the parents. Also no one from the participant’s family will be able to sign up for a program until equipment is returned, or the $200.00 charge is paid.

Each coach will receive practice equipment and a first-aid kit. It is the coaches’ responsibility to let the Supervisor of Youth Athletics know if they need extra supplies for first-aid when they start running low or need any extra equipment.

Flag Football equipment that coach will receive – Footballs and flags.

Football equipment that coach will receive – Tackling dummies, kicking tees, footballs, parts for helmets and shoulder pads, extra mouth pieces and a extra set pads that go in the football pants.

Baseball and Softball equipment that coach will receive – Set of catcher’s equipment, batting helmets, baseballs or softballs, bats upon request, and scorebook.

Tee Ball equipment that coach will receive – Batting tee, set of catcher’s equipment, batting helmets, tee balls, bats upon request, and scorebook.

Coach/Machine Pitch Softball/Baseball equipment that coach will receive - Set of catcher’s equipment, batting helmets, softball/baseballs, bats upon request, and scorebook.

Cheerleading equipment that coach will receive – First-aid kit.

p. Emergency Planning

Accidents/Injuries - In the event of an accident or injury at a practice, the coaches will survey the situation and treat the injury or accident or call Rescue Squad. The coach will notify the Supervisor of Athletics and fill out an accident report. In the event of an accident or injury at a home youth tackle football game, the Supervisor of Athletics and coach will review the situation and treat the injury or accident or call Rescue Squad. The Christiansburg Recreation Department will request that the Rescue Squad be present at all youth tackle football games that are hosted by the Christiansburg Recreation Department. The Rescue Squad will determine if it is able to be present at each game.

A First Aid kit will be available to all coaches for every sport.

Inclement Weather – In the event of inclement weather (lightning, snow, ice, rain, high winds, etc.) that may impede a youth sports league practice or game, the Christiansburg Recreation staff assigned to that activity shall contact the Supervisor of Youth Athletics immediately to make a decision on whether to cancel that activity or to continue.

If the Supervisor of Athletics cannot be reached (for example: inoperable phone lines), the Christiansburg Recreation staff on duty shall make a decision based on the situation.
**Other Occurrences** – When other emergency situations occur at a Christiansburg Recreation Department youth sports activity that are non weather related (for example: facility damage, bomb threats, fights), procedures similar to those used for inclement weather will be followed. Depending on the situation, it may be necessary to call 911 or the Christiansburg Police Department’s dispatch number (382-3131) prior to contacting the Supervisor of Youth Athletics.

q. **Participants Not Picked Up On Time** - Coaches are expected to stay with players until they are picked up after a practice, game, or any other activity related to the league.

Coaches are expected to call the parent or adult responsible for transportation when five minutes have elapsed past the scheduled time of departure from the activity.

When ten minutes have elapsed, and the coach has been unable to reach the parent, or has determined that the parent will not arrive for another 20 minutes or longer, a phone call to the Supervisor of Youth Athletics will follow. The Supervisor of Youth Athletics will make a decision regarding the best course of action.

r. **Child Abuse** - If maltreatment of a child is reasonably suspected, a report should be made with Child Protective Services so that a qualified and experienced person can investigate the situation. If immediate assistance is required, call the Christiansburg Police Department dispatch number at 382-3131 or 911 if there is an emergency.

Before filing a report, it is important to speak with the Supervisor of Youth Athletics or Director of Christiansburg Department Parks and Recreation.

There are four types of abuse to be aware of:
1. **Emotional** - This is a pattern of behavior that attacks a child’s emotional development and sense of self worth.
   - Examples include: constant criticizing, belittling, insulting, rejection and providing no love, guidance or support.
   - Emotional abuse is sometimes referred to as verbal abuse or mental abuse.

2. **Sexual** - This is the exploitation of a child for the sexual gratification of an adult. It may range from exhibitionism and fondling to intercourse or use of a child in the production of pornographic materials.

3. **Physical** - This is non-accidental physical injury which is inflicted by another person and may include severe beatings, burns, human bites, strangulation, or immersion in scalding water, with bruises and welts, broken bones, scars or serious internal injuries resulting.

   **Prevent False Accusations**
   - Avoid being alone with a child
   - Stay within sight of others
   - Respect privacy
   - Avoid sexual jokes, comments or gestures
   - Set and respect boundaries

4. **Neglect** - This is the withholding of, or failure to provide a child with the basic necessities of life- food, clothing, shelter, medical care, attention to hygiene, or supervision needed for optimal physical growth and development.

s. **League Evaluation** - League evaluations will be conducted the last two weeks of that sports season. Survey sheets will be given out to each participant on each team to give to their parents. It will then be up to the parent(s) to complete the survey and return it to the Christiansburg Recreation Center lobby where there will be a survey box. The survey box will be up for two weeks after the last regular season game. After two weeks the survey box will be taken down until the next sports season is complete.

Survey cards will be distributed to parents, coaches, and officials.

Survey questions will deal with quality issues such as: general league organization, facilities, coaching, staffing, officials, customer service, registration, communication, uniforms, etc.

t. **Updating the Handbook** - Reviews and updating of the Youth Sports Handbook will occur annually. League evaluations from the public as well as input from staff and officials will help determine the amendments and updates.
II. COACHES SECTION

a. Screening Process- All prospective coaches will be required to:
   1. Be at least 18 years of age
   2. Complete a youth sports coaches application
   3. Pass a background check

b. Training Requirements- Coaches will be required to attend and pass a two-part coaches certification course. The National Youth Sports Coaches Association (NYSCA) offers certification training for youth sports coaches through the National Alliance for Youth Sports (NAYS), an organization dedicated to improving out-of-school youth sports by raising awareness through leadership, education, and advocacy.

The Christiansburg Department of Parks and Recreation is a NYSCA chapter. The Christiansburg Department of Parks and Recreation staff serves as the chapter director and clinicians. This enables the Christiansburg Recreation Department to facilitate the required training certifications for youth sports coaches.

To receive certification, coaches must participate in the first section of the clinic through NYSCA interactive training videos, successfully complete an exam, and then sign a pledge committing to uphold the NYSCA Code of Ethics. The first section of training will be offered twice before the season starts.

The second section of the clinic is sports specific applicable to the sport to be coached. This is usually conducted just prior to the start of that particular sport.

Membership is valid for one year and the fee is $20. The Christiansburg Department of Parks and Recreation will pay for this expense each year they participate in the Christiansburg Recreation Department leagues.

Benefits for NYSCA certified coaches include the Youth Sports Journal issued four times per year and the Sporting Kid Magazine. Other benefits include a membership card and $1,000,000 excess liability insurance in effect while performing coaching duties.

c. Team Activities- A Christiansburg Recreation Department qualified coach must be present at all team meetings, practices, games, and any other team activities.

d. Evaluation Procedures- Toward the end of the season, the Supervisor of Youth Athletics will conduct a performance evaluation for each volunteer coach. This evaluation will be used as a reference for future coaching positions.

   Coaches will be given a copy of the evaluation once it is completed. A meeting with the Supervisor of Youth Athletics is optional, and must be setup in advance.

e. Code of Conduct Enforcement- The NYSCA firmly believes that for the sports experience to be positive, safe and a learning experience for youth, volunteer coaches must be trained and held accountable for their behavior when working with and around children. Every NYSCA member coach is required to sign and adhere to a Coaches’ Code of Ethics Pledge. The Code of Conduct has been developed to help explain how each of the standards of the Code of Ethics should be manifested in the actions and behaviors of an NYSCA Certified Coach.

   It is the duty of the NYSCA chapter responsible for certifying the coaches to respond to complaints lodged against a NYSCA member coach that has allegedly violated the Code of Ethics. This is accomplished by forming a local “review committee” for the purpose of hearing complaints and determining what, if any, action should be taken toward correcting the member coach’s behavior.

   Suggested committee members may include the Chapter Director, member(s) of the Recreation Advisory Board, league administrators. Again, impartiality is essential when selecting the review committee.

   In order to provide the local review committee the flexibility to take appropriate action when an NYSCA member coach is found to have violated the Coaches’ Code of Ethics, a range of possible review committee actions has been developed to accompany the Code of Conduct.

(9)
Possible actions include:
- WARNING TO AND/OR APOLOGY FROM THE COACH
- PROBATION
- ONE GAME SUSPENSION
- MULTIPLE GAME SUSPENSIONS
- SEASON SUSPENSION
- PERMANENT REVOCATION OF CERTIFICATION

The specific response of the review committee may include terms and conditions supplementing one or more of the listed sanctions. When reviewing a complaint and deciding what action is the most appropriate in a given situation, the committee must take into consideration various extenuating circumstances.

Factors that might suggest a more lenient sanction include:
1. First Offense Remorse
2. Apparent Desire to Reform
3. Other Good Coaching Attributes
4. Dedication to Youth Sports

Factors that might suggest a harsher sanction include:
1. Child Endangerment
2. Violation of Law
3. Prior Complaints/ Review Action
4. Lack of Remorse
5. Number of Ethics Standards Violated
6. Breach of Duties as a Role Model
7. Extraordinarily Poor Judgment around Children

f. Recruitment - The Christiansburg Recreation Department will issue news releases to the general public, and will place announcements in its’ brochure regarding volunteer coaches.

The Christiansburg Recreation Department will compile an ongoing mailing list of coaches to be used before each season for recruitment.

g. Recognition - In general, coaches will be recognized at the end of the season. Each coach will receive a letter of appreciation from the Town of Christiansburg Mayor and Town Council for those who have fulfilled the expectations of the Christiansburg Recreation Department.

h. Complaint Against a Coach Procedure - When the Christiansburg Recreation Department receives a complaint about a youth sports coach, the

Christiansburg Recreation Department will:
1. Organize a Review Committee comprised of three to five impartial, uninvolved individuals who understand the spirit and intent of the Coaches’ Code of Ethics Pledge. Suggested committee members may include the Chapter Director, member(s) of the Recreation Advisory Board, league administrators, who understand the Code of Ethics. Again, impartiality is essential when selecting the review committee.
2. Invite the member coach to attend a meeting to address the complaint and to offer his/her side of the incident.

The review committee will determine the severity of the situation and whether or not the affected coach has violated the expected behaviors outlined under each of the canons of the Code of Ethics Pledge that comprise the NYSCA Code of Conduct.

Upon majority vote, the review committee has the authority to enforce the appropriate range of disciplinary actions outlined in Section III D. The Chapter Director is to report in brief, the nature of the complaint, the committee findings, and the sanction applied to the member coach. This information will be logged in the members file.

If the review committee votes to revoke a coach’s certification, NYSCA Headquarters will notify the coach of the revocation and their right to appeal to the National Executive Board. The Chapter Director will be sent a copy of the correspondence. This information will also be logged in the member’s file.

III. PARENTS’ SECTION

a. Reminder-Children who participate in youth sports can experience life-long positive benefits. The Christiansburg Department of Parks and Recreation offers youth sports to help promote these positive gains for its youth. Your role as the parent is critical to the success of the program.

Please remember that these programs are offered for kids, and not the adults.

b. Playing Time- Each player will play a minimum amount of each game as specified for each league. Substitutions may be called for the sole purpose of meeting the minimum play rule. There are exceptions to this rule. At the discretion of the coach and approval by the Supervisor of Youth Athletics, your child may not be allowed to participate if he/she has not been attending practices, is ill and/or contagious, has displayed a poor attitude, etc.

c. Playing Equipment- The Christiansburg Recreation Department youth sports leagues do require sport specific equipment for participation. Christiansburg Recreation Department staff does recommend court/field appropriate footwear for safety.

d. Corrective Action Policy- It is the philosophy of the Christiansburg Recreation Department that parents should not spoil the experience of participation in youth sports for the children. Furthermore, the Christiansburg Department of Parks and Recreation will not punish a child for the actions of his or her parent(s). Parents who do not follow the Code of Ethics may be subject to the Corrective Action Policy listed below.

These guidelines are not absolute in dealing with behavioral problems. Severe situations could warrant harsher sanctions.

1. Verbal Warning – Coach will discuss inappropriate conduct with parents and emphasis that such behavior will not be tolerated. Coach will document this conversation and provide a copy to the League Director.

2. Written Warning - Coach or official will notify the Supervisor of Youth Athletics of continued misconduct and the Supervisor of Youth Athletics will request a meeting to discuss actions and the proper behavior. Furthermore, a formal letter of reprimand may be given to the parent(s) stating that the next offense may lead to parent being suspended from the sporting event venue for a period of 1 or more games.

3. Game Suspension - League will suspend the parent from attending the next scheduled game and another letter will be given to parent(s) stating that the next offense may lead to parent being banned from all future league activities.

4. Season Suspension - The parent(s) will be suspended from attending all league games after a 4th offense. The parent(s) will need to make a formal request to be re-instated into this league. The parent(s) will then be required to meet with the Supervisor of Youth Athletics and the Director of Christiansburg Department of Parks and Recreation prior to the start of the next youth sport season to determine if the parent(s) can behave within the spirit and letter of the guidelines of the program.

Tips
1. Be positive
2. Encourage everyone

b. **Corrective Action Policy**- Players who fail to adhere to the Code of Conduct may be subject to disciplinary action. Therefore, the Christiansburg Department of Parks and Recreation has instituted a Corrective Action Policy to establish appropriate consequences for inappropriate behavior.

These guidelines are not absolute in dealing with behavioral problems. Severe situations could warrant harsher sanctions.

1. **Verbal Warning** – Coach will discuss inappropriate conduct with player and parents and emphasize that this behavior will not be tolerated. Coach will document this discussion and provide a copy to the Supervisor of Youth Athletics.
2. **Period Suspension** - Coach will bench the offending player for a period of time during a game when he/she should be playing. Coach will inform the Supervisor of Youth Athletics of the problem and why the child is sitting out play time.
3. **Game Suspension** - Coach will bench the offending player for 1 entire game when he/she should be playing. Coach will inform the Supervisor of Youth Athletics of the 3rd offense, at which time the player and the parent(s) must attend a meeting with the Coach and Supervisor of Youth Athletics before the player is allowed to resume playing. The player will be warned that the next offense could result in his/her expulsion from the league.
4. **League Expulsion** - The participant on the 4th offense may be expelled from the league and no refund will be given. The parent will need to make a formal request to be reinstated into this league. The player and parent(s) will next meet with the Supervisor of Youth Athletics and the Director of Christiansburg Department of Parks and Recreation prior to the start of the next Youth sports season to determine if the child is capable of playing within the guidelines of this program.

The trainers will focus on the mechanics and positioning of the officials. The officials will be rotated for feedback during the training.

Only new officials or officials with minimal experience will be required to attend the scrimmage. Officials with extensive experience are not required to attend, but may be asked to assist with the “shadowing”. This decision is made by the Christiansburg Recreation Department staff.

c. **Evaluation Procedures**- Officials will be observed throughout the season by the Christiansburg Recreation Department staff and the head official. The observations focus on, but are not limited to, the officials’ mechanics, positioning, leadership, attitude, professionalism, attire, demeanor, and punctuality.

An official may be assigned to higher divisions if he/she has advanced skills.
Christiansburg Recreation Department staff and head official will complete a performance evaluation for each official at the end of the season.

The officials will receive copies of their evaluations.

d. **Corrective Action Policy** - In the event that an official has committed an infraction of varying degree, Christiansburg Recreation Department staff will address the infraction.

The consequence, if any, will depend on the infraction, the official’s history, and anything else deemed relevant by the Christiansburg Recreation Department staff.

Corrective actions can be a verbal warning, reduction of scheduled games, suspension, and/or termination.

Any corrective actions taken will be noted on the official’s evaluation form.

e. **Recruitment** - The Christiansburg Recreation Department will issue news releases to the general public regarding the need for officials.

The Christiansburg Recreation Department will compile an ongoing mailing list of officials to be used before each season for recruitment.

f. **Pay Policies** - The Christiansburg Recreation Department pays its youth sports officials by a pay scale that's broken down by leagues relative to each sport.

Once the season is under way, an official can expect a pay check approximately once a month. It is the officials’ responsibility to report the number of games that he worked to the Supervisor of Youth Athletics.

It is the officials’ responsibility to report to the Christiansburg Recreation Department any address changes immediately, and any discrepancies with the paycheck (e.g. wrong amount, no arrival, etc.).

g. **Scheduling** - The Supervisor of Youth Athletics will produce work schedules once a month. It's the officials’ responsibility to report to the Christiansburg Recreation Department any schedule conflicts as soon as possible.

Officials are to initial the schedule at their assigned location before each game.

Any changes in official assignments need to be noted on the referee schedule in at least one of the scorekeeper notebooks.

If an official has a sudden emergency, he/she needs to contact the Supervisor of Youth Athletics as soon as possible to ensure proper coverage.

Lightning Policy

Due to the significant risks and possibility of fatal injury from lightning strikes, it is imperative the Christiansburg Department of Parks and Recreation have a clear policy on how to deal with lightning in and around the areas of practice and/or competition. This policy will help to clearly state the department's position on this issue and help to define roles of certain individuals during the decision making process. The Christiansburg Department of Parks and Recreation, coaches and support staff’s primary responsibility is for the safety and concern of the participants, spectators and staff.

The following plan will be in effect for all Christiansburg Department of Parks and Recreation youth and adult athletic events, including practices and special events:

Depending on the event being played the Youth Athletic or Adult Athletic Supervisor, Game Field Supervisor or Coach will monitor the weather. This will be done through the use of the DTN Weather Sentry Lightning and Storm detector (if equipped) or by the Flash-to-Bang Method.

In the event of threatening or inclement weather the Youth Athletic or Adult Athletic Supervisor, Game Field Supervisor or Coach will inform the participants and spectators either through the public address system or any other means available of impending severe weather.

GENERAL POLICY: A member of the Christiansburg Department of Parks and Recreation Staff, if on site will monitor the weather and make the decision to notify the Game Field Supervisor (during a game) or Head Coach (during practice) of dangerous situations and recommend the suspension of activity in the event of lightning. Exceptions will be made for any activity where a Christiansburg Department of Parks and Recreation or Game Field Supervisor is not in attendance, whereby the supervising coach will have the ability to suspend activity. The decision to suspend activity will be based on:

- Any reported lightning strike on the DTN Weather Sentry Lightning/Storm Detector within the 10 mile range regardless of the presence of visible lightning. (This device is portable and will be in the possession of the Youth Athletic or Adult Athletic Supervisor, Game Field Supervisor or Coach, and/or
- Utilization of the Flash-to-Bang Method (Count the seconds from the time the lightning is sighted to when the clap of thunder is heard. Divide this number by five to obtain how far away, in miles, the lightning is occurring.) If it reveals lightning to be within 10 miles (a 50 second count between the flash of lightning and the bang of thunder) activity is to be suspended and everyone should seek shelter immediately.

ANNOUNCEMENT OF SUSPENSION OF ACTIVITY: Once it is determined that there is a danger of inclement weather, the Youth Athletic or Adult Athletic Supervisor will notify the Game Field Supervisor (during a game) or Head Coach (during practice) and immediately request the removal of all players, coaches, and support staff from the playing field.

EVACUATION OF THE PLAYING FIELD AND STANDS: Immediately following the public address announcement (if available) of suspension of play, all players, coaches, officials, support personnel and spectators are to evacuate the facility to their vehicles or buses. Participants and spectators should be advised that we DO NOT consider the bathrooms, dugouts, bleachers, playground equipment and/or areas under the picnic shelters within our facilities to be deemed a safe location in the case of lightning. All parties will be urged to evacuate the entire facility immediately and remain in a safe location until conditions improve unless otherwise notified by appropriate representatives.

RETURN TO PLAY: Play will be resumed 30 minutes following the last lightning strike. The last lightning strike will be determined by either the detection system or visual confirmation. The 30 minute time frame will immediately start over with each additional lightning strike.
In the Event of a Thunder and Lightning Storm

- Listen for announcement over PA (Public Address System) if available

- Find Safe Location in a vehicle.

- Wait for announcement to return to play.

In the event of a thunder/lightning storm the following precautions should be taken. Play will be postponed until thirty minutes after the last lightning strike.

**Safe Locations**

- Vehicles with hard roofs. Once inside a vehicle do not make contact with any metal parts.

**Use of Phones**

- Cell phones and cordless phones are able to be used in a safe location. Avoid using land line phones.

**What to do if you can’t get to a safe location:**

- Find a dry ditch or a large grouping of shrubs and small trees. Find these areas and take shelter.
- Make your body as small as possible minimizing surface area for lightening strike. Crouch on the balls of your feet, DO NOT lie flat on the ground.
- Stay away from isolated small trees and large metal objects such as flagpoles and light poles.
- Stay away from any other metal objects such as bleachers and metal fences.
- Don’t stand in an open field
- Stay away from standing bodies of water such as a pool, lake, or pond.

**Possible Sensations that a lightning strike may be eminent (assume a crouched position):**

- Hair standing on end
- Skin tingling
- A crackling sensation

**Lightning Facts:**

- On average, about 67% of lightning fatalities and injuries occur outdoors at recreation events (athletic events, lakes and on golf courses) and near trees.
- On average, 55 people are killed and more than 1,000 are injured by lightning strikes in the United States each year.
Athletics Background Screening Policy

PURPOSE

It is the intent of this policy to establish certain guidelines wherein the Town of Christiansburg Department of Parks and Recreation (hereinafter referred to as “Parks and Recreation Department”) can seek to protect our children by investigating the background of volunteers who will be coaching children involved in athletic programs approved by the Parks and Recreation Department.

GENERAL

A). The Parks and Recreation Department shall ensure that all participants 18 years of age or younger shall have at least one (1) approved coach or assistant coach (hereinafter collectively referred to as “Coach”) present at each athletic activity, including practices and games. A Coach becomes approved once the process described in this policy is completed.

B). Any person who has been convicted of, or has a pending charge pertaining to, any of the disqualifying offenses listed in this policy will be immediately disqualified from coaching (either as a head coach or an assistant coach) in any youth athletic program approved by the Parks and Recreation Department. A Coach who willfully fails to comply with this background screening policy shall be automatically disqualified.

C). All sports will have one head coach and up to two assistant coaches processed for approval with the exception of football which will have one head coach and up to four assistant coaches processed for approval. Each Coach will have his or her background checked every 12 months for as long as he or she continues coaching.

SCREENING PROCESS

1. The Parks and Recreation Department will provide a Volunteer in Youth Sports Consent/Release Form to each head coach and up to two assistant coaches for each team with the exception of football which will be provided for the Head Coach and up to four assistant coaches. The Athletic Supervisor will distribute these to all prospective coaches and assistant coaches to be completed and returned to the Athletic Supervisor for the Parks and Recreation Department.

2. The Parks and Recreation Department Athletics Staff will establish deadlines by which the Volunteer in Youth Sports Consent/Release Forms are due back to the Parks and Recreation Department. These deadlines, for Head Coaches, will be at least two weeks prior to the start of practices for each sport. This will give the Parks and Recreation Department time to compile the forms, process the forms, and have the background checks conducted. After the background check, the results of the background check will be forwarded to the Town of Christiansburg’s Department of Human Resources. The Department of Human Resources will then advise the Parks and Recreation Department.
department of any coaches who are disqualified. All information pertaining to the background check will remain with the Town of Christiansburg's Department of Human Resources, subject to the applicable laws requiring disclosure. The Parks and Recreation Department will not be informed of the results of any background check; rather, the Parks and Recreation Department will only be told that a coach is disqualified.

3. If any disqualifying entries are reported in the criminal background check, the Parks and Recreation Department shall notify by certified mail the Coach that he/she is disqualified. Upon request, the Coach will receive a copy of the background check from the Department of Human Resources. The Parks and Recreation Department will send an acknowledgement form that the Coach must sign and return to the department.

CONFIDENTIALITY

To help ensure confidentiality, the Parks and Recreation Department should not be notified of a Coach’s criminal history. The criminal background reports shall be kept in a secure location for a period as required by applicable law or until a person is no longer a volunteer Coach, whichever is later.

ACCOUNTABILITY

It is important for the integrity of the background screening program that the Athletic Supervisor verifies that (1) only those persons who are screened and who are not disqualified coach or assist in the coaching of the young people in the athletic programs approved by the Parks and Recreation Department, and (2) that such persons are active with only the team or teams identified on the Volunteer Youth Sports Consent/Release Form pertaining to that person.

APPEALS PROCESS

If a Coach’s background check includes a charge set forth on the list of disqualifiers below, the Parks and Recreation Department shall immediately disqualify a person from volunteering as a coach. There shall be no appeal of a decision to disqualify a Coach, if the Coach’s relevant criminal history is accurate; all decisions are final. If a Coach wishes to dispute the content of the profile report, the Coach shall contact the third party responsible for conducting the background check by calling the telephone number listed on the report. The Coach is responsible for providing any or all documentation to support his or her claim.
DISQUALIFYING CRIMES

If a Coach (1) has been convicted of, (2) has a charge pending against him or her in which it is alleged that he or she has committed any of the following crimes, or (3) has a record of a conviction of an equivalent offense in another state, the Coach will be disqualified from volunteering for a coaching or assistant coaching position with any youth athletic team in any youth athletic program approved by the Parks and Recreation Department.
