I. Purpose
It is the purpose of this document to establish a process for permitting Special Events conducted on Town streets, public property, parks or facilities. It is recognized that these Special Events enhance the Town of Christiansburg lifestyle and provide benefits to the citizens through the creation of unique venues for expression and entertainment that are not normally provided as a part of governmental services. Additionally, it is recognized that Tax-exempt Non-profit Organizations that benefit the community are central to the quality of life in the Town of Christiansburg and that they often develop through their Special Events the resources to provide essential services to the citizens of the Town of Christiansburg. It is further intended to provide coordinated policies for the regulation of certain activities to be conducted in conjunction with Special Events, to ensure the health and safety of patrons of Special Events, to prohibit illegal activity from occurring within Special Event Venues, and to protect the rights and interests granted a Special Event Permit holder. It is further intended to create a mechanism for cost recovery and revenue sharing for Special Events without having an adverse effect on those Events that contribute economically and socially to the community. It is also the intent of the Town of Christiansburg to protect the rights of its citizens to engage in protected free speech expression activities and yet allow for the least restrictive and reasonable, time, place and manner regulation of those activities within the overall context of rationally regulating Special Events that have an impact upon public facilities and services.

No refund of the application fee will be made unless the applicant is denied approval of a Special Event Permit or the Event Venue is altered or changed in such a manner as to make the proposed Event Venue unsuitable for the proposed event. The Town is not responsible for any costs incurred by the Event Organizer if such site changes and/or alterations do occur.
E) When Application is Deemed Fully Executed

The applicant will be notified of the Security Deposit requirement at the time of official response from the Town to the Special Event Permit Application. If required, a Security Deposit must be paid no later than twenty (20) calendar days prior to the start of the proposed Special Event. The Town reserves the right to revoke a Special Event Permit for non-payment of a required Security Deposit. A Security Deposit may be required at the Town’s discretion when:

M) Conditional Approval
Special Event Permit Applications which require insurance approval(s), security deposit payment or permits from other governmental entities, or compliance with other terms or conditions, will be reviewed and, if the application otherwise conforms to all other requirements, a conditional approval will be issued. If, within the time prescribed by the Town, any required fee or security deposit is not paid, or an insurance certificate evidencing the requisite insurance is not filed with the Town, or approval or permit of other governmental entities has not been received, or the other terms and conditions have not been met, the conditional approval will automatically expire, the application for permit will be deemed denied. In the event a fully executed prior application for the same time and/or venue has been received, and a permit has been or will be granted, the Town shall purpose an alternative venue, if available for the same time, or an alternative time, if available for the same venue.

To the extent permitted by law, the Town may deny a Special Event Permit Application if the applicant or the person on whose behalf the application was made has on a prior occasion made material misrepresentations regarding the nature or scope of an event or activity previously permitted or has violated the terms of a prior Special Event Permit issued on behalf of the applicant.

15) The proposed use or activity will substantially interrupt public transportation or other vehicular and pedestrian traffic in the area of its route.

16) The proposed use or activity would cause an irresolvable conflict with construction or development in the public right-of-way or at a public facility.

S) Written Post-Event Review
Within 60 (sixty) calendar days from the completion of a Special Event, the Town may provide the Event Organizer a written review of items and/or concerns related to their Event that may negatively influence the Event Organizer’s ability to obtain future Special Event Permits. This review is intended to provide the Event Organizer ample opportunity to address, plan and implement corrective measures prior to filing for a future Special Event Permit.

V) Procedures for Review
A) Review by Town
1) An Event Organizer may within seven (7) calendar days of official notification by the Town, file a written appeal to the Town Manager if:
   - A Special Event Permit Application has been denied.
   - A specific Town requirement or restriction outlined in an approved or conditionally approved Special Event Permit is considered to be unreasonable. This does not include requests by Event Organizers that fees for Town Services be waived or discounted.
2) The Town Manager shall have seven (7) calendar days from the date on which the appeal was received in which to notify the applicant that the appeal has been affirmed, modified or reversed.

1) Anything in corporate limits and town owned property. Excluding private property.

XVI) Special Event Exclusivity

The Town will provide exclusivity to each Event Organizer that is granted a Special Event Permit. This exclusivity will provide sole use of the special event venue on the approved dates as outlined in the approved Special Event Permit. Furthermore, no other similar Special Event will be approved for the same Event Venue for 15 days prior to the start of the approved initial Event, or for 15 days after the last day of the approved Event. Similar Special Events are considered to be events that contain nearly identical themes, activities and/or programs to such a degree that the public would likely confuse the two events and that the hosting of the two events would likely reduce the attendance and/or participation of the initial Special Event. The Town reserves the right to determine when this exclusivity should be enacted and applied.
XVII) Special Event Right of First Refusal

An Event Organizer will be granted the first option for the same or similar date (e.g. third Saturday in a specific month) during the following year for hosting a similar Event.

1) Serving and consumption of beer and/or wine at any event must be approved by Town Council.
2) Any Special Event held on Town property serving beer and/or wine shall have a defined area for serving and consuming beer and/or wine. This defined area, referred to as a Beer/Wine Garden, may include a portion of or the entire Event Venue.
3) The Event Organizer must obtain the appropriate license from the Virginia Department of Alcohol Beverage Control.
4) All Special Events approved to sell beer and/or wine must provide, prior to the Event, training for the frontline event staff and volunteers responsible for selling and serving beer and/or wine.

This includes any server who completes their shift and is requested to return to duty.
6) The Applicant of the Alcohol Beverage Control license, or the Event Supervisor in charge, must be present at the Event Venue during the entire event. The Town requires that every event organizer clearly display the name or names of their event’s Event Supervisor(s) in the Beer/Wine Garden during the entire Event.
7) The Event Organizer is solely responsibility for assuring that the Beer/Wine Garden is properly supervised and that its event staff has been properly trained to serve such beverages as well as understands that it is against the law of the Commonwealth of Virginia to sell alcoholic beverages to anyone who is less than twenty-one years of age, to anyone that the server knows, or has reason to believe, is intoxicated, or to anyone who has been forbidden to possess alcohol by a court of competent jurisdiction. The Event Organizer is responsible for advising the servers that they could face criminal charges for serving alcohol to any above-described person.
8) The Event Organizer must implement a system of identification and distribution as approved by the Virginia Department of Alcohol Beverage Control that effectively monitors the consumption of each event attendee.
9) Serving of beer and/or wine shall not extend beyond 11:00pm for any Special Event.
10) The Town of Christiansburg reserves the right to deny, cease or restrict, in any manner deemed appropriate, either prior to or during a Special Event the serving or consumption of beer and/or wine. Factors governing this decision will include:

- Proposed Event Venue layout & site plan
- Number of proposed beer and/or wine serving locations
- Anticipated and/or actual number of event attendees
- Nature of the event
- History of the event
- Duration of the event
- The Event Organizer’s ability to provide sufficient event staff
- Ability of the event staff to monitor and control under-age consumption
- Concern for public safety
• Evidence of non-compliance with Virginia Alcohol Beverage Control laws and license.
ADDENDUM I
Town-Sanctioned Special Event Grant Program

A) Purpose
It is the purpose of the Town-Sanctioned Special Events Grant Program (hereafter referred to as “Grant Program” or “Grant”) to provide funding assistance to Christiansburg based organizations or Town agencies that wish to host a Special Event on Town property. Funding is for the exclusive purpose of offsetting some or all of the cost of Town Services required for the Special Event. The Town of Christiansburg recognizes that such Special Events can enhance the quality of life for citizens of Christiansburg and provide benefits to citizens through the creation of unique venues for expression and entertainment that are not normally provided as a part of governmental services. It is further envisioned that these Special Events can enhance the development of tourism by increasing visitation, expenditures, and overnight stays within the Town.

B) Grant Program Guidelines
Any qualified Christiansburg based organization and/or any Town agency may apply for a Grant according to the following guidelines:

1) The Applicant Organization must be a Town agency, a current local organization, or an informal group of existing businesses in good standing with the Town. The Applicant Organization will have been in existence for at least two years.
2) The Applicant Organization must be the primary Event Organizer of the Special Event. Additionally, the Applicant Organization must be the primary financial administrator and event manager, although they may partner with other organizations and/or companies in administering, organizing and promoting the Event.
3) Grants are for those Special Events that clearly display and contain elements that contribute to the quality of life for the Town of Christiansburg. Examples: historical, cultural, arts, community-spirit, wellness, etc.
4) Priority will be given to those Special Events that are to be held in downtown Christiansburg.
5) Priority will be given to those Special Events which will best promote out-of-town visitors.
6) Priority will be given to those Special Events that bring positive recognition and exposure to the Town.
7) Priority will be given to those Special Events that are expected to be an annual or repeat event; however, a Grant may be approved for a one-time Special Event if such event will significantly impact the quality of life for the citizens of Christiansburg.
8) The Approval Committee will consider such factors as the Applicant Organization’s:
   • fiscal stability;
   • track-record in administering Special Events;
   • ability to provide and train the anticipated event staff; and
   • other such factors that provide insight into their ability to effectively administer and grow the Special Event.
9) The funds provided through the Grant Program are for reimbursement for Town services only (not for administrative or clerical costs, event production assistance, or to offset the Event’s other operating costs). The Town will determine the level of Town services required and/or requested by the applicant in order to safely and effectively administer the Special Event.
10) The maximum amount of any Grant per single Special Event, in a single Town fiscal year is $3,000.00. However, Grants may be approved for less than the maximum $3,000.
11) Grants are provided on a year-to-year basis. The Applicant must apply each year for continued Grant approval.
12) Grants will only be provided to a specific Special Event for a maximum of three years.
13) All efforts will be given to provide Grants to as many Applicant Organizations as possible. To do so, the Approval Committee may limit the number of Grants approved to a specific Applicant Organization during any single fiscal year.
14) The Approval Committee has the sole and final authority in approving Grant Applications.
15) Organizations receiving a Grant may submit an application for other Special Event Grants, but must submit a separate application for each.
16) A Grant Approval Committee will be established by the Town Mayor. The Grant Approval Committee will consist of at least three, and as many as seven, Christiansburg citizens.
including Town Employees and one Town Council Representative. The Grant Approval Committee will have the sole and final authority in approving Grant Applications. In the event that an Approval Committee member is associated with a Grant Applicant Organization in such a manner as to present a conflict of interest, that Committee member shall withdraw from the approval process during that cycle.

C) Grant Application Procedures & Schedule
