- Facilitated CPO training
- Helped organize and collaborate with H2Okie Swim Team to host the World's Largest Swim Lesson at the CAC on 6/18/13, and we hope to be part of the new World Record which was to have just over 25,000 participating worldwide simultaneously that day. CAC broke our facility record for the event from last year, with just over 120 participating this year. A great event with help spread a national message that "Swim Lessons can Save Lives." Mayor Richard Ballengee and Shirley Hallock from the Aquatic Advisory Board served as our witnesses for the annual event.
