**TOWN OF CHRISTIANBURG**  
**RESIDENTIAL APPLICATION FOR SERVICES, PAGE 2**  
**100 E MAIN ST, CHRISTIANBURG VA 24073**  
**PHONE: (540) 382-9519      FAX: (540) 382-3762**

**PLEASE BE ADVISED OF THE FOLLOWING:**

1. For \$22.00 per month the Town will provide a 96 or 48 gallon garbage cart AND a 96 or 65 gallon recycling cart for pickup on a specified day (once per week for garbage and every other week for recycling). Residential collection shall be placed out, on the curb, for pick-up by 8:00am on the morning of the designated collection day and removed by 6:00pm. **All carts are delivered within one week of established service.**

**FILLED IN BY OFFICE ONLY:**

Pickup day: \_\_\_\_\_

2. The Town's drinking water is disinfected by a method called chloramination. If anyone in your household is on dialysis, please consult your doctor. A change in the way you pre-treat your water may be required. Chloramination also requires a change in the way water is dechlorinated for aquariums and ponds. Please consult a local pet store for specific products to use.
3. The Town will endeavor to supply, but does not warrant, a minimum 20 psi of water pressure at the service side of the water meter. The applicant and his/her successors and assigns shall be responsible for providing and installing any pressure boosting system deemed necessary or desirable.
4. When transferring or disconnecting service, the applicant is required to complete a disconnection or transfer notification form. Water will not be taken out of the applicant's name until the form is completed and signed by the account holder. The forms can be obtained at Town Hall, the Town website [www.christiansburg.org](http://www.christiansburg.org), or can be faxed, emailed, or mailed upon request.
5. Failure to pay final bill in a timely manner after termination of services may result in the account being scheduled for collection.
6. In accordance with Town Code, it shall be unlawful for any person to tamper with any water meter, valve or appurtenance associated with the Town's water system. If services for the applicant listed above have been disconnected for nonpayment, the applicant shall be responsible for and shall pay all charges associated with delinquent water charges and tampering, if applicable, before restoration of water service.
7. When requesting new water service or re-establishing existing water service, it is the property owner's/customer's responsibility to ensure all fixtures, valves, etc. are closed. It is recommended that the main location valve be closed if no one will be present when the meter is turned on. The Town will not be responsible for any water damage on private property.
8. In the case of an after-hours water or sewer service emergency, contact the Town of Christiansburg Police Department at (540) 382-3131.
9. The Town offers pool meters for rent, to fill a swimming pool only AND garden meters for purchase for outside sewer deduction use. Please contact the Finance department to request further information.
